Commissioner Hermann has recommended that during the coming summer 3 800 cattle and 550 horses be allowed to graze in the Cascade reserve, in addition to 200,000 sheep. This is the extreme number that Forest Superintendent Ormsby thinks can be grazed without injury to the forests and without serious interference with the sheep. These horses and cattle are to be allowed to graze at will in any part of the reserve.

The last legislature passed a new law relating to chattle mortgages in the state. Under the old law the holder of a chattel mortgage, to preserve his lien, could file the same with the county clerk, or recorder, paying fifty cents therefor. By the new law the simple matter of filing as stated is done away with. The holder in the future under the new law is required to have the chattel mortgage recorded. This is copied in full upon a record kept for that purpose, the holder having to pay the same fees as for recording deeds and mortgages of reality, which will be from $1.50 to $2.50 for each instrument. Any man taking a chattel mortgage for six months to secure $25 or $50 will have to pay nearly as much or more for recording, as the interest for the time on the money will be.

Knock-Out Drops

"I am a saloon-keeper, and used to think that rock and rye, or whiskey and quinine were proper remedies for coughs and colds. Most of my acquaintances were of the same opinion. Now I know something at least a thousand times better. It is Acker's English Remedy for Coughs and Colds. A good while ago I began to cough and found out then that rock and rye was no good. I got worse and I was beginning to think that the trouble would run into consumption. I didn't take any stock in patent medicines, but somehow or other I tried Acker's English Remedy. One bottle did the business for me—knocked that cough out completely—and it has never come back again. There is never a day passes that I don't say a good word about this wonderful medicine. I almost forgot to say that I am stronger and fleshier now, since taking this remedy, than I was before the cough began. I write this letter voluntarily and cheerfully and am glad to do it." (Signed) CESAR ROMERO, Saloon-keeper, Pocatello, Idaho.

Sold at 25c., 50c. and $1 a bottle, through out the United States and Canada, and in England, at 1s. 2d., 2s. 3d., 4s. 6d. If you are not satisfied after buying, return the bottle to your druggist, and get your money back.

We authorize the above guarantee.

Hereafter under a new law passed by the recent state legislature the county court will meet the first Wednesday of each month instead of the first Wednesday after the first Monday as heretofore. A law passed for the benefit of a few counties was by mistake made to apply to all the counties.

The czar of Russia employs 27 physicians. What a dosing the poor man must receive, and then if he steps out of his steel lined room some bomb thrower or other assassin is lying in wait for him. There are a good many men in free America who would not exchange places with him, with all his wealth and power.

Late Washington dispatches state that it is learned upon the highest authority that Binger Hermann will remain as Commissioner of the General Land Office, that the administration of his office been above reproach, and that the president wishes him to remain in his present position. This being true, Mr. Hermann will undoubtedly remain in the office.

B. Keffer, H. E. Sawyer, H. F. Marble and W. H. Marble. None of those selling represent the large growers, who are holding for better prices later in the season.

Fire at Foster.

The town of Foster, a few miles above Sweet Home, was visited by a costly fire last Thursday morning about 2 o'clock. The store of B. Erickson and the postoffice were completely destroyed. All that was saved from the postoffice were the postage stamps, the office supplies and mail being destroyed. The stock of goods of Mr. Erickson, who is also postmaster, was entirely destroyed. A brisk wind was blowing and the fire burned so rapidly that nothing could be saved. The origin of the fire has not been ascertained. The loss was about $3000, with $800 insurance.

Good For Rheumatism.

Last fall I was taken with a very severe attack of muscular rheumatism which caused me great pain and annoyance. After trying several prescriptions and rheumatic cures, I decided to use Chamberlain's Pain Balm, which I had seen advertised in the South Jerseyman. After two applications of this Remedy I was much better, and after using one bottle, was completely cured.—Sallie Harris, Salem, N. J. For sale by Peery & Peery, druggists.

Matrimonial Simplification.

The following letters passed through the mail Monday, and were handed in for publication, with the request that no names be mentioned: G. V., Or., April 1st 1901, DEAR MADAM: Most worthy of admiration, after long consideration and much meditation on the great reputation you posess in the matter, I have a strong inclination to become your relation, on your approbation of the declaration I shall make preparation to remove my situation to a more convenient station to profess my admiration, and if such oblation is worthy of observation and can obtain consideration it will be an aggrandization beyond all calculation of joy and exultation of yours. To the above the following answer was received: SIR: I perused your ovation with much deliberation of the great infatuation of your imagination to such veneration on so slight a foundation. But after examination and much serious contemplation, I suppose your admiration was the fruit of recreation to display your education by an odd enumeration, or, rather, multiplication, of words of the same termination, though of great variation in each respective signification, now, without disputation, your laborous application in so tedious an occupation deserves commendation, and thinking imitation a sufficient gratification, I am without hesitation yours.

A Raging, Roaring Flood.

Washed down a telegraph line which Chas C. Ellis, of Lisbon, Ia., had to repair. "Standing waist deep in icy water," he writes, "gave me a terrible cold and cough. It grew worse daily. Positively guaranteed for Coughs, Colds and all Throat and Lung troubles by Peery & Peery. Price 50c and $1.00. Trial bottles free.

"At the end of the last campaign," writes Champ Clark, Missouri's brilliant Congressman, "from overwork, nervous tension, loss of sleep and constant speaking I had about collapsed. Over worked, run down men and weak, sickly women gain splendid health and vitality from Electric Bitters. Try them. Only 50c. Guaranteed by Peery & Peery, druggists.
