Chamberlain's Cough Remedy is Pleasant to Take.

The finest quality of granulated loaf sugar is used in the manufacture of Chamberlain's Cough Remedy, and the roots used in its preparation give it a flavor similar to maple syrup, making it quite pleasant to take. Mr. W. L. Roderick, of Poolesville, Md., in speaking of this remedy, says: 'I have used Chamberlain's Cough Remedy with my children for several years and can truthfully say it is the best preparation of the kind I know of. The children like to take it and it has no injurious after effect. For sale by all dealers.

Only Makes a Bad Matter Worse.

Perhaps you have never thought of it but the fact must be apparent to every one that constipation is caused by a lack of water in the system, and the use of drastic cathartics like the old fashioned pills only makes a bad matter worse. Chamberlain's Stomach and Liver Tablets are much more mild and gentle in their effect, and when the proper dose is taken their action is so natural that one can hardly realize it is the effect of a medicine. Try a 25 cent bottle of them. For sale by all dealers.

Mr. Arthur Chapman writing from Durban, Natal, South Africa, says: "As a proof that Chamberlain's Cough Remedy is a cure suitable for old and young, I pen you the following: A neighbor of mine had a child just over two months old. It had a very bad cough and the parents did not know what to give it. I suggested that if they would get a bottle of Chamberlain' Cough Remedy and put some upon the dummy teat the baby was sucking it would no doubt cure the child. This they did and brought about a quick relief and cured the baby." This remedy is for sale by all dealers.

KILLED HIMSELF.

John T. Bilyeu Secures a Pistol and Shoots Himself Through The Head.

Tuesday afternoon John T. Bilyeu shot himself through the head and died one hour afterward. Mr. Bilyeu's mind had been affected for the past year, from a nervous trouble. Just about one year ago he was taken to Coe's Sanitarium for nervous diseases at Mt. Tabor. The nervous disease was about cured by the trestment there, but the mind still remained clouded. While he was well-to-do from a financial point his mind seemed to dwell continually upon his financial affairs. While he had a great abundance, he imagined that he would soon come to want. Upon this theme he continually brooded. Life became burdensome and while alone at his home in this city Tuesday afternoon at three o'clock he committed the act. Mrs. Bilyeu was just returning from the business portion of town and heard the report of the pistol when only a block away from the house. Thinking it was but some wood falling, she was not alarmed. When she reached home and went into the kitchen the ghastly spectacle burst upon her. With a scream she summoned assistence. Dr. Brown and others answered the call for help immediately, but of course could do nothing, as the revolver had done its deadly work only too well. The bullet had entered the head just above the right ear. From the orifice made the brain slowly oozed out.

Mr. Bilyeu was what might be called a retired farmer, having sold his farm last year and bought property in this city last spring where he has lived to this time. He leaves an estate valued at $30,000 or more.

He was the second son of the late George Bilyeu, after whom the section of country near Jordan, known as Bilyeu Den was named.

He crossed the plains in 1852 with his parents, who settled in Bilyeu Den where he grew to manhood. After a few months spent in the Carriboo mines, where he was quite successful, he bought a large farm six miles south of Scio, where he reared his family.

He leaves a wife, and three children, two daughters and one son, all of whom are grown.

The burial occurred today (Thursday) at Providence Cemetery.

Our Police Court.

It has been so long since there was any business before our police court that many of us had forgotten that we had such a court. However we have such a court and its machinery was put in motion last week.

At the instance of Mrs. Anna Calavan, Mrs. W. H. Stam, and Mrs. Lewis Knauf, the firm of Tucker & Savage was arrested for allowing minors to frequent their saloon. There was some talk for awhile that the case would be contested, but after mature thought Tucker & Savage concluded that it would be better to plead guilty and pay the fine. Recordor McDonald assessed them $50 and costs which was at once paid.

Recorder McDonald posted notices of the coming city election last Monday morning. Now let every one who aspires for office in our municipality get a hustle on.

We regret to learn that A. M. Shelton of Jordon, is quite sick. Dr. Brewer, of Stayton, was called to attend him.
