WEST LEAD IN COUNTY JUST 1300

Official Count Increases Lead of Governor-Elect Over Bowerman in This County—Narrowest of Margins Between Reed and Buchanan for Representative.

With an exact plurality of 1300 for Oswald West over Jay Bowerman, as shown by the official count, Jackson county is beyond question the banner West county of Oregon. Multnomah, its nearest competitor, gave 1209; Marion gave 1000 and other republican strongholds followed with decreasing amounts. In proportion to population and to vote cast, Jackson leads all Oregon.

The official count gives West 2556, Bowerman 1256, Eaton, prohibitionist, 233, and McDonald, socialist, 478.

Robert G. Smith, democrat and native son of Jackson, received a plurality of 243, as against 47 given him in Josephine, his home county. The official count gives Smith 1838, Hawley 1595, Sherman, socialist, 604, and Elmore, prohibitionist, 343.

Benson, republican, for secretary of state, received 2246, and Oliver 1227, Davis, prohibition, 307, and McDonald 600, which may be taken as the average party vote. Thus West ran over 1300 ahead of his ticket and Smith 600 ahead. Bowerman fell behind his ticket a thousand votes and Hawley 600.

West carried Medford by a plurality of 346 votes, Ashland by 374 votes, the votes of Ashland being 588 for West against 209 for Bowerman, and in Medford West 824, Bowerman 478. West's plurality in the outside country was 580 votes.

For supreme court justices, four-year term, Bean received 2197 votes and McBride 2041 votes, S ting but his party vote, 1256. For the six-year term Burnett received 2000 votes, King 1991 and Moore 1885.

The highest vote any candidate received was that of Cronemiller for county treasurer, 3424. He had no opponents of any party. Calkins for circuit judge got 3336 votes and Coleman for county clerk 3324.

Henry D. Reed of Gold Hill, for joint representative, has a majority of 333, receiving 2088 to Buchanan's 1755. The unofficial count in Douglas gives Buchanan a lead in that county of 341, and the official count may reduce this, giving Reed a possible show of election.

Von der Hellen, republican, for state senator, got 2092 votes to Neil's 1586. Ashland gave Neil a large majority, and Medford did the same for Von der Hellen, so that he is elected by 506 votes.

For representatives, Eggleston with 2573 and Westerlund with 2622 ran neck and neck.

George L. Davis, for county commissioner, won by 169 votes over Patterson, the official count reducing his lead 50 votes. The count showed: Davis 1471, Myers 1153, Patterson 1312.

Colvig for county clerk defeats Taylor by 374 votes and the county high school tax passed by a vote of 2946 to 651.

ASHLAND NORMAL DROPS BEHIND AND IS DEFEATED

PORTLAND, Nov. 12.—According to revised figures from every county in the state, the Ashland and Weston normal school bills have dropped behind and have been defeated. Monmouth is the only winner and that only by a small majority.

The Southern Oregon vote, although heavily in favor, could not pull the Ashland school out of the hold it was shoved into by the Willamette valley.
