EAGLE POINT EAGLETS.

By A. C. Howlett.

We had an auction sale here last Friday by Mr. Deeter, but the sale was not very well attended, as the articles advertised were not in demand—old household goods, wagon harness, etc.

Last Sunday I visited the family of J. J. Fryer and while there met in addition to his grandson, Austin Green and wife, Miss Emma Weise and Miss Emma Maltby of Medford and her sister, Miss Jennie Maltby of Trail. While there Dr. Anderson and his partner of Central Point came in. Dr. A. has been treating Mr. Green's foot, which was shot some weeks ago, and he dismissed the case that day, and the arrangements were made then to have me take him, his wife and Miss Jennie Maltby up to Peter Betz' place on Rogue river on Monday, and there they were to be met by party from near their home and taken on, but when we reached our destination we found that the other party had not arrived, so we left them with Mrs. B. and returned home but during the trip we realized what it was to be out in an April squall—rain, wind and snow.

Last Saturday there was a party, composed of Mr. and Mrs. J. W. Grover and children, their friends who are visiting them from the east, Mr. and Mrs. Burbert, Mrs. Art Thomas, William Knighton and wife, went to the top of Table Rock on a picnic.

While Dr. Anderson was out last Sunday he and his partner performed a surgical operation on Mrs. Karns' little boy, but the nature of the operation I did not learn.

Frank Davis and Thomas Homeric, two men who were raised in this section of the country, were among the guests at the Sunnyside Sunday evening.

W. W. Willets of Persist was with us Friday and Saturday nights. He went to Medford on Saturday, returning home Sunday.

John Liddell of Wenatchee, Wash., came in Saturday evening and engaged a room for an indefinite period. He is here looking for a business location.

—Mr. and Mrs. Carr, recently from Los Angeles, came out Sunday morning, procured a rig and drove out to look at the country, spent the night at the Sunnyside and Monday morning decided to get a tent and camp up at Mr. Felfrey's place and then look around. Mrs. Wilfrey is an old friend of Mrs. Carr's and they anticipate having a good time together this summer. Mr. Carr is looking for a place for a home.

The excursion train passed thruogh here for Butte Falls all O. K. and I understand that the Butte Falls visitors had a very enjoyable time.

CENTRAL POINT ITEMS.

The city council met Monday evening. Mayor Leever, Recorder Jacobs and all councilmen were present except Councilman Myers. City Engineer Osgood was also in attendance. The board accepted Mr. Osgood's plat for the extension of the water system. The board passed a new dog license ordinance, making license on male dogs $3 per year, on female dogs $5 per year. An emergency existing, the dog ordinance takes effect immediately. The council then adjourned until Wednesday evening at 7:30.

The Vernon Stock company, composed of ten people, have leased the Electric theater for a week or more and are rehearsing two new plays. They will open their season here Saturday evening.

Councilman J. W. Myers was very much surprised on his arrival home Monday evening to find his home in charge of his and Mrs. Myers' friends, who had assembled to celebrate the councilman's 60th birthday. The Mail Tribune society columns will have full particulars of this delightful occasion.

S. S. Akin was here Monday evening from Eagle Point and left Tuesday morning for Jacksonville.

John Kearney came down from his mine and attended the funeral of his partner and old time friend, John S. Sims, on Tuesday afternoon.

Mrs. Jennie Selby left Wednesday on No. 15 for her old home at Pellston, Mich.

Wayman Warner returned from a trip to California Tuesday evening.

WOMEN'S BEAUTY.

Imperfect Digestion Causes Bad Complexion and Dull Eyes.

The color in your cheeks won't fade, the brightness in your eey won't vanish, if you keep your stomach in good condition.

Belching of gas; heaviness, sour taste in mouth, dizziness, biliousness and nausea occur simply because the stomach is not properly digesting the food.

The blood needs nourishment to carry vigor, vim and vitality to every part of the body and when food ferments in the stomach enough nourishment is not supplied.

Mi-o-na stomach tablets give instant relief to upset stomachs, but they do more; they put strength into the stomach and build it up so that it can easily digest a hearty meal without giving its owner hours of misery.

"I had stomach trouble for six years—for days at a time could eat nothing at all. After taking Mi-o-na treatment I am in perfect health and can eat anything."—E. M. Campbell, 1200 S. Prospect St., Sedalia, Mo.

Mi-o-na is sold by druggists everywhere and by Chas. Strang at 50 cents a large box. It is guaranteed to cure indigestion or any stomach distress, or money back. •

Medford, Or., Feb. 6, 1911. This is to certify that about November 1 my daughter was taken iwth a severe attack of rheumatism which rendered her left arm useless, in fact it was so near paralyzed that she was not able to move her fingers, but knowing of some of Dr. Chow Young's marvelous cures of long standing cases of rheumatism, we decided to consult him, in which I am pleased to say made no mistake, ase his remedies acted as he claimed they would and after the third treatment the rheumatic pain entirely left her and she has not had any symptoms of rheumatism since; besides her general health is much improved and I do not hesitate in saying I believe those afflicted with rheumatism or paralysis will do well to consult Dr. Chow Young, whose house is corner of Tenth and Front street, Medford, Oregon.
