MISUNDERSTANDING CAUSE OF TRAGEDY

SEATTLE, Wash., April 9.—As the result of what the police term a tragic misunderstanding, Mrs. Carl Tengreen, 22, lies unconscious in the Noble hospital here today suffering from bullet wounds which probably will result fatally, and Victor Hammer, a cook in the Savoy hotel, is in the city hospital with a stab wound in the left breast.

Statements of Mrs. Tengreen during lucid intervals at the hospital accuse Hammer as the man who fired five shots at her as she hurried up a narrow trail to her home at 1:30 o'clock this morning, after leaving a Westlake car. The police declare that Hammer attempted suicide after the shooting.

Bleeding from a stab wound in the breast, he was found two hours after the shooting on the porch of G. R. Wood, a contractor.

A bloodstained knife was found on the lawn, bearing out the suicide theory.

The injured woman told officials the man sprang out at her without a word of warning and after shooting her, choked her as she fell to the ground.

SANTA MONICA, Cal.—With the trial dignified by formal weightiness of a murder case, Joe Enderlin, 70, was found guilty of slapping the wrist of Mrs. Edith Patterson at an election poling place. He was fined $25. They were both electoneering for the same vote.

G. A. GARDNER.

The city council passed an important ordinance at its last meeting Tuesday evening relative to the collection of delinquent assessments for street improvements.

The terms of the ordinance will go into effect under the law fifteen days from and after its passage, and then they become automatic. Any person applying to the recorder may purchase a certificate of delinquency on any piece of property, the owner of which has not paid his assessment within one month after the same is due. The certificate so issued shall carry 15 per cent penalty, making 21 per cent interest annually on the same. If no one applies for a purchase of such certificate, at the expiration of four months it becomes the duty of the recorder to transfer them to the city, and the city shall proceed to collect the assessments in the same manner as is provided by law for the collection of delinquent state and county taxes, and this must be done by application to the circuit court for a decree and sale of the property within three years from the date of delinquency.

The ordinance is as follows:

ORDINANCE NO. 801

An ordinance providing for a more economical and speedy way than is expressed in the city charter for collecting assessments for street improvements, and declaring the duties of the city recorder in that behalf, which ordinance is intended to supplement the provisions of sections 85 and 86 of the city charter.

The city of Medford doth ordain as follows:

Section 1. Any day after the expiration of one month after the assessments charged against real property for street improvements are delinquent the city recorder shall have the right, and it shall be his duty, upon demand and payment of the assessments, penalty and interest, to make out and issue a certificate or certificates of delinquency against such property, and such certificate or certificates shall be numbered and have a stub, which shall be a summary of the certificate and shall each contain a statement:

9. The name and residence of the person to whom issued.

2. Description of the property assessed.

3. Year or years for which assessed.

4. Amount of assessment and interest due.

5. Name of person to whom assessed.

6. The rate of interest the certificate shall bear.

7. The time when a deed may be had, if not sooner redeemed.

8. When a certificate of any preceding year is outstanding and unredeemed it shall be stated in subsequent certificates issued, and the principal sum due with date of issue.

9. A guaranty of the city that if for any irregularity of the assessing officer such certificate is void, then the city will repay the holder the sum paid thereon, with interest at the rate of six per cent per annum from the date of its issuance; provided, that nothing herein contained shall prevent the running of interest during the said period of one month from the date of delinquency at the rate of interest provided by law on such delinquent assessments.

Section 2. Any number of tracts or lots assessed to the same person, or as the property of an unknown owner, may be included in one certificate.

Section 3. That all subsequent steps necessary to the collection of such assessments after the provisions of section one of this ordinance has been complied with, shall be taken in the manner provided by the state law for the collection of delinquent state and county tax.

Section 4. All ordinances and parts of ordinances in conflict with this ordinance are hereby repealed.

The foregoing ordinance was passed by the city council of the city of Medford, Oregon, on the 7th day of April, 1914, by the following vote: Porter, not voting; Medynski, aye; Emerick, aye; Sergeant, aye; Miles, aye, and Hargrave, no.

Approved April 8th, 1914.

MAHLON PURDIN, Mayor.

Attest:
E. T. FOSS,
Recorder.
