MONTANA SWEPT BY BIG STORM

BUTTE, Mont., July 28.—Montana is recovering today from one of the worst storms of recent years according to reports received here from various towns. At Livingston merchants were busy pumping water from their basements and stores from a cloudburst last night.

The rain and wind damaged harvest fields, telephone and telegraph lines. A chautauqua tent was blown down here and six persons in it were injured. With the exception of George Forsythe, who suffered severe wounds all others were much improved.

ACQUIT PASTOR OF LONG AGO CRIME

COVINGTON, Ga., July 28.—The Rev. W. H. McCart has been acquitted in the superior court here on a charge of having murdered Monroe Smith, a neighbor, 45 years ago. McCart fled after the shooting in 1870 and was arrested upon his return recently from Hawaii where he had been a missionary.

HEAP BIG MISTAKE BY SIWASH HUNTER

TACOMA, Wn., July 28.—His Britanic majesty's naval forces were attacked last week by wards of the United States, the Neah Bay Indians, according to George D. Cantwell, United States bird reservation inspector, who returned to Tacoma yesterday from the coast.

Chief Makah of the Neah tribe, was told by a steamship captain that two large whales were blowing off Tatoosh island. After proper ceremonies, Makah and his braves embarked in a sea-going canoe. Arriving at the hunting grounds, they saw no whales, but suddenly a black back appeared nearby. Two harpoons thrown by Whale Killer, the expert harpoonist, bounced from the whale's back and the Indians were reciting charms against the old time whale-god, when the back of the "whale" opened and an English officer appeared to ask what they meant by harpooning his submarine.

ASK REPRIEVE TO MEXICANS DOOMED TO DIE FRIDAY

LOS ANGELES, July 28.—Wiley Jones, attorney-general of Arizona, received here today a copy of a telegram from Secretary Lansing of the state department asking further reprieves for five Mexicans under sentence to die Friday at Florence, Arizona, "in view of the political situation in Mexico." The telegrams came from Frank Trott, chairman of the board of pardons and reprieves at Phoenix. Mr. Jones replied "the United States has no right to interfere."

Mr. Jones also demanded the execution of the men, who were reprieved May 28 upon request of William J. Bryan, then secretary of state.

Trott's message to Jones read:

"Following from Secretary of State Lansing:

"'In view of the political situation in Mexico, department asks further reprieve for condemned men.'"

The attorney-general who is here to oppose the application of near beer manufacturers for an interlocutory injunction to prevent interference with the shipment of their beverage into Arizona, also received an invitation to be present at the execution of the condemned men at Florence prison.

RUSSIANS WONT LET AUSTRIANS WRITE

BERLIN, July 28.—The Overseas News Agency under a Vienna date today gave out the following:

"Russia has forbidden Austrian prisoners of war to exchange letters with members of their families. This is contrary to international agreements. The Austrian government in retaliation, has made the same regulations with regard to one of the detention camps of Russian prisoners and it is threatening to extend this ruling to all the prison camps if Russia does not change the regulation in question.

"Russia, disregarding the protest submitted by the American embassy, continues to treat the captured Austrian officers illegally by removing the insignia of their rank. The Austrian government is acting in the same manner with the Russian officers in its possession."

Had Lung Trouble and Expected to Die

The many recoveries brought about by Eckman's Alterative are attracting wide attention. Read about this case:—

33 B St., Keyser, W. Va.

"Gentlemen:—I was taken sick in November, 1908. I grew steadily worse. Had two consultations. The verdict was the fever had affected my lungs and that my case was hopeless; only gave me two months to live. My physician had tried most all kinds of treatment and none did me any good, so he asked my husband if he objected to him trying a proprietary medicine. I began your Alterative. I was in bed from November 30, 1908, until February 25, 1909, and was thought dying several times. Today I am healthier and stronger than ever." (Abbreviated.)

(Signed) MRS. H. K. BRILEY.

Eckman's Alterative is most effectious in bronchial catarrh and severe throat and lung affections and upbuilding the system. Contains no harmful or habit-forming drugs. Accept no substitutes. Small size, $1; regular size, $2. Sold by leading druggists. Write for booklet of recoveries.

Being so busy getting votes for women taxpayers, she asked her husband, Medill McCormick, to look after her taxes. He forgot it! And the no-vote-no-tax champion was compelled to pay a penalty on $70,000 added valuation for neglecting her citizen's duty.

CHINESE TYPHOON DAMAGE HEAVY

SHANGHAI, July 28.—The force of the great typhoon which sprang up along the Chinese coast Monday night appears to have been centered in Hang Chow Bay, to the south of Shanghai. Communication between Shanghai and Hang Chow has been severed. The toll of lives, it is believed, will be heavy and considerable damage is known to have been done to native craft.
