Freshmen of the Medford high school to the number of 28, conducted a large auto truck to Gold Ray on Saturday. Others went in autos. The latter returned in good form, having run on the grounds about [illegible] in the evening. Those in the party were met with disappointment and remorse on their home trip, visiting cellars. The truck could not be repaired at the point of accident. The drivers intend to lay the blame on Medford garages for being the students unable to bring the truck in to the city the same day. It was quite dark for the return of the school boys, just one month and one day of the party. "It would have been much nicer to ride a part of the way at least."

Between Men

A red blooded tale of virile combats—a picture that takes you from a Western camp to Wall street and shows two rivals matching brain and brawn in the endeavor to win position and the love of a girl

READ THE CRITICISMS

"'Between Men' is one of the best offerings from the Ince studio. William S. Hart knows how to win his audience's admiration, by his acting, and his direction. His performance here is of the sort that brings a dim moisture to the eyes time and again."—Motion Picture News.

"'Between Men' exploits William S. Hart and his theory that the man of great physical strength and strong native impulses is bound to count, if not to win, in a clash with the forces of ultra-refinement, especially when those forces spoil moral decadence. 'Between Men' is a story of gratitude, adequately told. The Stock Exchange scenes are probably the largest of the kind ever shown on the screen."—Motion Picture World.
