Vigorous Old Age

WHY separate youth and old age with a deep and ever-widening abyss?

The bloom of youth and the hardy, ruddy glow of Old Age—sixteen and sixty—should be separated only by the span of years and not by varying differences of physical wholesomeness.

Vigorous old age is within the grasp of all. S. S. S. brings that hale and hearty feeling back with a rush. Rich red blood is the greatest enemy of weakening, health undermining Old Age. S. S. S. builds Red Blood Cells. Rich, red blood coursing through your veins sweeps away impurities that retard the proper functioning of your system. Old Age—once a dreaded agony becomes a vigorous, enjoyable, care free time of life.

S. S. S. is made of carefully selected herbs and barks—scientifically prepared and proportioned. Welcome Old Age when it comes. Be ready to withstand the attacks of diseases that follow in its wake. Meet Old Age with a hearty handshake. A handshake that speaks of well being—of a vigorous, clear thinking, red blooded constitution. S. S. S. is your best friend when Old Age is seen rounding the corner. Get a bottle and drive care and worry away. All leading drug stores carry it. The large size is the more economical.

ZEV BELIEVED TO HAVE EDGE IN BIG RACE TOMORROW

LOUISVILLE, Nov. 16.—Lovers of thoroughbred race horses arose today and went out to Churchill Downs, drawn to the track by the presence of Zev and In Memoriam, contenders in a match race scheduled for Saturday afternoon, in which the Kancocha stable's crack colt will attempt to reverse the decision for the Latonia championship in which he was defeated by Carl Weidemann's colt and win back to the position of defender of the title of champion three-year-old.

Zev arrived late yesterday and was reported by his trainers to have stood the trip well.

A gallop over a mile was the workout schedule today for the Kentucky derby winner.

Trainer Robert Gilmore is expected to ask In Memoriam to step a brisk half mile as a finishing touch to his training for the race Saturday.

The distance 1¼ miles, is regarded by many observers as best for Zev.

HARVEY M. TOY, Managing Owner

W. R. LAMB BUYS HIGHWAY FARM NEAR GOLD HILL

After a few months of city life W. R. Lamb, formerly of the Ross Lane fruit section, has purchased a fine highway farm known as the Wolverton tract from Lee Raymond of Gold Hill on the Pacific highway 3½ miles northwest of Gold Hill and is a part of the Riverside subdivision tract. The larger portion of this farm is fine level irrigated farm land and in alfalfa. It has a fine grove and about 1000 feet fronting on the pavement and the beautiful Rogue river forms the north line. It is considered to be in ideal location and the farm is well known as one of the finest small farm tracts in the Rogue river valley.

Mr. Leverette of The Four-Site Realty Agency, who handled the sale, states it is Mr. Lamb's intention to improve the tract and at an early date erect a new modern home. It is only a few months since Mr. Lamb sold his highly improved Ross Lane farm to A. B. Williams, and from all appearance it looked then as though he had retired from the rural life. This new buy, however, which is said to involve a large consideration, shows that Mr. Lamb has real faith in the Rogue River valley.
