FOOTS CREEK PTA ENJOYS SATURDAY EVENING'S PARTY

FOOTS CREEK, Ore., Nov. 3.—(Special.)—The party given by the Parent-Teacher association last Saturday night was a very happy affair. The evening was spent in music, readings and games. Coffee and pie, candy and popcorn balls netted the organization the sum of $11.19.

Many of the young folks wore Hallowe'en costumes. Among them was Victor Birdseye, who recently graduated from O. A. C. Victor was having a very good time in his usual enthusiastic way. We could not tell that he had been to college at all. He has the honor of being the first person in the history of this district to receive a college diploma. In electing to be a builder of rural America, we feel he honors himself and country. America will probably begin to decline if her leadership is ever transferred from country-bred people.

Most of the ladies of the Parent-Teacher association met at Mrs. Lamb's last Friday afternoon to prepare for the party.

Every woman in this district is cordially invited to become a member of the P.-T. A. The membership fee is 35 cents. Each member will receive a magazine which discusses the special problems of parents and teachers.

John Short rushed into the house one foggy morning to get his gun. He said a flock of big birds had swooped down out of the fog, alighting in the garden. He felt sure the birds were wild geese. However, the anticipations of the family were shattered when he came back empty-handed, to report that the birds were his own Thanksgiving turkeys.

Mr. and Mrs. Bill Hittle came up Foots creek to look over the dredge last Sunday afternoon. Mr. and Mrs. Hittle are well known here.

Mr. and Mrs. Geo. Lance spent the week end visiting relatives in Medford.

Wall Street Report

NEW YORK, Nov. 3. — (AP) — Heavy pre-election profit-taking sales turned the course of stock prices irregular today after an opening interval of strength. Several soft spots cropped up throughout the list, but there was no evidence of any concerted "bear" selling.

Leading commission houses emphasized caution in view of the record-breaking loan totals. While some observers attributed the large gains in loans to be unusually large volume of new financing in recent weeks, others saw evidence of widespread distribution of stocks.

Week end trade reviews generally were favorabe.

The closing was irregular. Total sales approximated 1,500,000 shares.

Jackson School News

The Hallowe'en spirit pervaded the entire group during the last week and each room bespeaks quaint spells with strange and weird goblins hanging on walls and blackboards, in the form of posters.

Several parties were in order. The most important one was given by Miss Jeanne Moe Niven to her sixth B group at the home of Earl Pederson.

Many of the young ghosts were on the streets until quite late, exhibiting many pranks. However, the school never received a mark or scratch. The teachers expressed the fact that they were proud of the children's consideration for the school property.

Tests.

Two standard tests are being given to the pupils in the department, and much interest has been shown in them. One is to test the pupils' ability to think correctly, and the other is to test his reading ability.

Health.

Nurse Jones and her helpers completed all health inspection at the Jackson school last Monday.

Soon the number who are eligible for the honor roll will be obtained and the information will soon go to the parents concerning any defects and remedial work advised.

Miss Barriagar has issued an order that no girls will be allowed on the volley ball, basketball and baseball teams without a physical examination.
