OREGON EXPECTING BUSIEST YEAR OF SCHOOL'S HISTORY

UNIVERSITY OF OREGON, Eugene, Sept. 7.—(Special)—With the opening of the University of Oregon less than three weeks away extensive preparations are being made for what is expected to be the busiest year the university ever had, is declared by Karl W. Onthank, executive secretary at the university. Indications are that enrollment of students with advanced standing will set a new record.

The new personnel bureau which will be under the direction of Dr. Howard R. Taylor, will be put in operation for the first time this year. Under this system greater attention will be paid to the individual needs of each student and this plan, together with the lower division plan which has been operated successfully for the past year will give students the maximum opportunity for professional and liberal training.

A complete program for Freshman week, September 23 to 28, including physical, English and psychology examinations, assemblies, library instruction, and regular registration has been arranged, according to Earl M. Pallett, registrar.

The official week begins promptly at 8 o'clock, Monday, September 23, with an assembly for all freshmen at which Hugh Biggs, acting dean of men, and several students will address the incoming freshmen.

No registration material will be released until signatures showing that all lectures and examinations have been attended are procured.

Registration material will be released Thursday morning, September 26 at 8 o'clock in Johnson hall. The student secures this material and takes it to his advisor who will help him make out his program for the year. When this is completed, he takes it to McArthur court to procure signatures for section courses, the signatures of the dean of men and women and to pay fees.

McArthur court will remain open until Saturday noon, September 28. If students are not registered by this time, they will have to wait until Monday and pay the regular fee of $1.00 per day for late registration.

Wall Street Report

NEW YORK, Sept. 9.—(AP)—The stock market ran into a secondary reaction today after several unsuccessful attempts had been made to rally the general list by bolstering forward new leaders. In the absence of any adverse news developments the decline was regarded as a further correction of a too heavy speculative position.

Several independent buying movements were started in the late trading. Hitting lines included Steel 16 points, Johns-Manville 3 and Paige Cordidge 6 to a new record price of 138. Standard Brands was also heavily bought on a sharp rally. Little recovery from the lower levels was shown in other sections of the list, the close was weak. Sales approximated 1,300,000 shares.
