DUMBARTON TALK NEARS CLOSE ON BIG THREE PHASE

Washington, Sept. 30—(U.P.)—The American-British-Russian phase of the Dumbarton Oaks world security conference neared a close today with Anglo-American delegates ready to begin without delay the second stage of the talks with Chinese representatives.

State department officials expected the Russian phase to end today or tomorrow. The discussions between U. S., British and Chinese delegates will begin immediately thereafter and probably will not require any extended length of time.

Officials emphasized again that all the agreements reached at Dumbarton Oaks are preliminary in nature, designed only to form the basis for later conferences of higher officials who may revise some of the decisions already reached and settle issues still outstanding.

One of the most important questions still unsettled by the American, British and Russian delegates, it was understood, is whether any of the big powers with permanent seats on the council of the new League of Nations should have the power to veto any steps proposed against it.

THE GRANGE

Booster night, designed to explain to the public the purpose and achievements of the Grange, will be held at the Eagle Point Grange hall Saturday night, September 30, where speeches and reports on Grange activities will be featured as well as good music, games and general entertainment. All interested are cordially invited. Ladies attending are asked to bring pie, sandwiches and pickles or cream. Also those having them are requested to bring card tables and cards.

At the well attended meeting September 19, the following were elected to membership: E. J. Linvik, Mrs. Edith Linvik, L. H. Wertz, Mabel Wertz and Dorothy Ray Thrantham. Committee reports included that of legislative chairman, Clarence Davies, who spoke on the teachers equalization levy measure, pointing out its value as a measure for equalizing the school tax burden. Educational Chairman Hay in his remarks on the universal military training question agreed with the opinion of others as to the futility of such a program. Mrs. Ed Chamberlain, 4-H club chairman, reported that three Eagle Point girls won first place in the recent judging contest. Because of the 4-H fair in Medford, September 26-28, H. E. C. Chairman Nora Matthews announced that the next H.E.C. meeting would be postponed from September 27 to October 4 and will be held at the home of Mrs. Augusta Seefield with Mrs. Fred Farlow acting as cohostess.

Visitors present were Mrs. Anna Roberts of Roxy Ann and Clifford Elbert, lately returned from southern California.

During lecture hour, Mrs. Rosa Smith and Mrs. Billie Vestal gave interesting reports on their sons now overseas. Barbara Smith gave two vocal solos accompanied by Gertrude McCorkle, and Ed Cowden, accompanied by Lottie Van Scoy, played two violin numbers.

Ray Harnish announced conferring of 3rd and 4th degrees at next meeting, October 3. Serving committee for this meeting is Mr. and Mrs. Ed Chamberlain, Mr. and Mrs. Fred Farlow and Mr. and Mrs. James Clark.

Central Point Grange

A booster night program will be presented at Central Point Grange Friday, opening at 8 p. m. This will be an open meeting and all Grangers, their friends and anyone interested in the Grange are invited.

The program will include:

Demonstration by Home Economics club, tableau by Juvenile Grange, drill by team, history of Grange by members, original one-act comedy "Born Thirty Years Too Soon," by members.

Group singing and many special music numbers will be followed by a half hour of recreation. Refreshments will be served.

Final rehearsal for everyone taking part in this program will be Wednesday, September 27, 1944, at 8 p. m. at the Grange hall. All members taking part are asked to be present.

Commons Informed Ramsay Released

London, Sept. 26—(U.P.)—The Security Minister Herbert Morrison announced in Commons today the "unconditional release" of Capt. Archibald H. M. Ramsey, member of Parliament, detained since May, 1940, under security regulations.

Ramsay was an associate of Tyler Kent, clerk in the American embassy who now is serving a seven-year prison term for stealing documents from the embassy files. Ramsay admitted during trial of a libel suit that he visited Kent's rooms in 1940 and examined the secret documents. But he protested that he was neither pro-Hitler nor pro-Nazi, but pro-British.

NEW kind of ASPIRIN tablet
doesn't upset stomach
WHEN you need quick relief from pain, do you hesitate to take aspirin because it leaves you with an upset stomach? If so, this new medical discovery, SUPERIN, is "just what the doctor ordered" for you.
Superin is aspirin plus—contains the same pure, safe aspirin you have long known—but developed by doctors in a special way for those upset by aspirin in its ordinary form.
This new kind of aspirin tablet dissolves more quickly, lets the aspirin get right at the job of relieving pain, reduces the acidity of ordinary aspirin, and does not irritate or upset stomach—even after repeated doses.
Tear this out to remind you to get Superin today, so you can have it on hand when headaches, colds, etc., strike. See how quickly it relieves pain—how fine you feel after taking. At your druggist's, 15¢ and 39¢.
