VOL. I.

OREGON CITY, CLACKAMAS COUNTY, OREGON, THURSDAY, FEBRUARY 12, 1903.

No. 12.

ELECTED CAPTAIN

J. U. CAMPBELL CHOSEN TO COMMAND CO. A, O. N. G.

Company Will Be Recruited to its Full Strength at Once and Will Make an Effort to Maintain its Organization Under the Dick Bill.

Monday night Co. A, Third Regiment, O. N. G., elected by a unanimous vote James U. Campbell captain. Mr. Campbell is a well known lawyer of this city and is deputy district attorney for the county. He is chairman of the Republican county central committee. In May, 1898, Mr. Campbell enlisted in Co. I, Second Oregon Infantry and went with the regiment to the Philippines as first sergeant of Co. I. When Second Lieut. W. A. Huntley resigned Campbell was appointed second lieutenant and upon the resignation of Capt. L. L. Pickens he was made first lieutenant, succeeding Lieutenant Phillips, who was promoted to captain. He is very popular with the boys of the national guard and is a good disciplinarian, with a thorough knowledge of military affairs. Under his direction Co. A is expected to do good work, in which he will be ably assisted by First Lieut. Fred W. Humphrys, who has been in command of the company since Captain Kelly resigned, and Second Lieut. Charles E. Burns, Jr.

Co. A now has 50 members and applications are coming in to swell the company to the full strength of 65 men. The state military board will meet in a short time and provide for the dissolution of several companies of the state national guard. Under the Dick Bill which recently passed

congress, Oregon is allowed one regiment of infantry and this will be taken from the Third and Fourth regiments now in existence in Oregon. Co. A hopes to be kept intact under the reorganization and with that end in view will use every effort to place itself on a firm footing. The prospects are exceedingly bright for the company.

Delinquent Tax Sale.

Sheriff Shaver this week sold the property from the delinquent tax roll of 1901. Nearly all of it was bid in by the county. The property assessed to the Gladstone Real Estate Association was excepted as the association secured an injunction restraining the sheriff from selling it. The taxes against the association are something like \$1700 and Mr. Cross, president of the association, has offered to compromise for \$850. The matter will be decided by Judge McBride.

Two Accidents.

William Rall, an employe of the Willamette Pulp & Paper Co., broke his leg in the mill last Saturday evening. The injured limb was set and the patient is recovering.

H. Henningsen, of Damascus, slipped and fell on some timber on his farm last week and broke his leg. A physician from this city went to Damascus and reduced the fracture.

The concert given by the music class of the Y. M. C. A. in the Baptist Church last night was well attended and thoroughly enjoyed.

Mrs. Jennie Vosburg, of Nehalem, visited friends in this city the first of the week.

Mrs. Ralph Clark, of Spokane, was in the city Monday, en route to Prescott, Ariz., to join Mr. Clark, who is manager of Sentaor Clark's mining interests there.

Howard Latourette returned Monday to Eugene, after a few days' visit with his parents in this city.

Miss Sophie Steinbak and Miss Emma Snyder, of Wilsonville, were the guests of Mr. and Mrs. Henry Miley last Saturday.

NEW SITE FOR MILL

REPORT CURRENT THAT BAGBY'S SAW MILL WILL GO TO AURORA.

Mr. Bagby Proposes to Go into the Export Trade and Plans a Mill With a Capacity of 56,000 Feet of Lumber Daily—Has Large Timber Resources to Draw From.

It seems very probable that Mr. Bagby will move his saw mill to Aurora. This will prove of enormous benefit to Aurora, says the Borealis, and Mr. Bagby should meet with all the encouragement possible. He proposes to go in on a large scale, depending nearly altogether on export trade. One of the Southern Pacific Company's engineers was in Aurora Monday and together with Mr. Bagby looked over the route for a sidetrack down to the proposed site. The mill, as planned by Mr. Bagby, will have a capacity of 50,000 feet of lumber per day, and employ from 15 to 50 men. If it is true, as asserted, that there is timber enough along Butte Creek, Rock Creek and the Pudding river to keep a mill of that capacity running for 20 years, Aurora is certainly one of the best locations in the state for a large saw mill.

A meeting of the city council was held last night to discuss the sewer construction in District No. 3. The matter was re-referred to the street committee.

Mrs. Emily Setterburg, of Kelso, was committed to the insane asylum yesterday and taken to Salem last night by Sheriff Shaver and Mr. Setterburg. The patient has emotional insanity.

Miss Amy Kelly is in Eugene on a three weeks' visit with friends.

"LIGHTS AND SHADOWS."

Dr. E. L. House Lectures Tuesday On The Spanish War.

A crowded auditorium greeted Rev. E. L. House at the Congregational Church Tuesday evening to hear his lecture on the "Lights and Shadows of the Spanish War." Dr. House was a chaplain in the army during the war and was stationed in Cuba. He said that in 1898 was an important year in the history of the United States, not so much so as 1861. He spoke of the poor people in Cuba being almost starved and being killed off by the Spaniards. When the Maine was blown up he knew that war sure to come. He showed two fine colored views of the Maine, one taken a short time before the explosion in Havana harbor and the other at the time of the explosion. He regarded Dewey as one of the bravest men the country had ever seen and spoke at length on his work at Manila. Dr. House held the attention of his audience for an hour. Next Tuesday will be the last of the series and Dr. House will lecture on "David Harum."

Fire early Wednesday morning destroyed the residence of Wilson brothers in Gladstone. The building was owned by H. C. Stevens and for several years was used as a hospital by Oregon City physicians. The origin of the fire is unknown. Only a piano was saved. Insurance on the house was \$1000 and on the contents \$1500. Wilson brothers conduct the Depot saloon in this city.

Lumping It.

"My coffee is not quite sweet enough," remarked the new boarder. "Well, if you don't like it you can lump it," retorted the cheerful idiot, pushing the loaf sugar his way.—New York Times.

Too Rough.

"I wish you had broken the news more gently," sighed the editor as the office boy pled the first page by dropping the form down a flight of stairs.—Baltimore American.
