ACRE Building Sites $500. 1 mile out Pioneer road, off Colvert road, west of Phoenix.

SUBURBAN ACREAGE
We know that profitable small acreages are what our buyers are looking for. Here is absolutely the finest opportunity we may ever be able to offer.
We have 30 acres located in the heart of the valley on paved hiway. Judge the value by these FACTS! Potatoes—at least 300 sacks to the acre. Onions—a minimum of 500 sacks to the acre. Bumper harvests of corn, tomatoes and carrots. Alfalfa—both for hay and seed. Heavy yields of rich clover.
You may choose exactly the piece of land that suits you. As much or as little as you please.
