WILL MAKE BRICK

G. W. POYSER, OF SALEM, RENTS THE
CHARMAN YARD.

Operations Will Commence As Soon As He
Disposes of Salem Property—Will Event-
ually Start a Tile Factory.

G. W. Poyser, who has conducted a brickyard in Salem for over ten years past, arrived in the city Saturday morning and has rented Charman Bros.' brickyard at the foot of Moss Hill. This yard was formerly operated by Mr. Poyser's brother, W. B. Poyser, now a resident of Fairhaven, Wash., but no work has been done there for the past three years. The yard has a capacity of from 12,000 to 20,000 brick a day and Mr Poyser expects to start a tile factory eventually. He is a responsible and well known citizen of Salem and will commence work there as soon as he disposes of the brick in his Salem yard. He has just sold 80,000 brick for the Indian school at Chemawa. Mr. Poyser has rented the house on the brickyard property and will bring his family here. There are three acres of ground connected with the yard.

MOCK TRIAL AT NEEDED.

Close of Winter Term Marked by Ath-
letic Sports and Debate.

NEEDY, March 7.—(Special).—One of the most entertaining affairs of the season was a mock trial last Friday night at the schoolhouse, instead of the regular debate. The case was a breach of promise suit for \$25,000. J. D. Ritter was judge, Frank Thompson, clerk of court, Carl Helton, sheriff, Robert Ginther, attorney for plaintiff, John Wachtman, attorney for defendant. It was a jury trial and the verdict was for plaintiff, giving him until 1909 to make final payment. The case drew an immense audience to the schoolhouse, for standing room was at a premium.

School closed Friday afternoon. The afternoon was spent in debate, and after debates athletic sports were indulged in, a hundred yard dash, pole vaulting, potato race, etc. The most pleasing feature of the afternoon to the teacher, without doubt, was a vote of thanks extended to him by the

pupils for his untiring efforts in their behalf during the winter. The Spring term begins Monday, March 9.

Mr. William Barth and family, of Macksburg, visited her sister, Mrs. Ginther, of this place during the past week.

Marcus Smith, of Hubbard, was in our burg on business during the week.

Julius Spagle has gone to Butteville to work in a hopyard for the summer.

Mr. and Mrs. Zimmermann visited their daughter, Mrs. Ed. Miller, Sunday.

Charlie Wolfer, we are sorry to learn, is quite low with typhoid fever.

The I. O. O. F., organized here a few weeks ago, is growing rapidly.

Mr. and Mrs. Kropf visited our teacher Sunday afternoon.

J. D. Ritter and daughter Alice attended the teachers' institute at Canby last Saturday.

Sam and Ed Miller have finished planting their hops.

Farmers are busy preparing their ground for spring sowing.

Mr. Ginther, of Schubel, and some of the children, spent Sunday with his son, Prof. Ginther, of this place.

The Mystic Midgets that will appear next Friday and Saturday nights have appeared at Seattle, Tacoma and many other Sound cities and have received the most complimentary press notices, the P. I. of Seattle declaring, "It was a symphony in harmony."

The Benefit of Change.

We are like house plants: We need a change of soil now and then—to be replanted. New scenes, new experiences, new surroundings—a change of climate, dry air instead of moisture, sunshine in place of cloud. This is sometime essential to health. There are conditions near at hand that are better than Europe can offer. Take a month or two in California. Plant yourself for a time where there are no irritations, where the hotel is beyond criticism, the landscape pleasing, and where warm sunny weather invites to walks and drives. Pure and dry air, and the increased electric influences of sunshine are vastly helpful.

You can make this trip at very little expense, and enjoy a ride over the scenic Siskiyou and Shasta mountains, which, at this time of the year with their snow covered peaks, are unsurpassed for their grandeur.
