Harold's Club Sale Report Premature

Reno—(UPI)—A spokesman for Harold's club Thursday denied reports that the seven-story casino had been sold for a reported $16 million.

"The sale has not been completed," he said. "If and when the deal is closed, there will be an immediate statement."

Sales negotiations have been under way between the Smith family, which founded the club 25 years ago, and a group of prospective buyers from Lake Tahoe, Las Vegas and New York.

STICKY-FINGERED

Winston-Salem, N.C. — (UPI) — Christmas shoplifting is a sticky problem for supermarkets here. "In almost every call from supermarkets this month," a detective bureau spokesman said Thursday, "Scotch tape has been taken. I don't know what they're doing with it except maybe wrapping up the things they steal as gifts."

Water Resources Agenda Listed

Salem — (UPI) — The Oregon water resources board has announced that the tentative agenda for its Jan. 4 meeting at Astoria includes action on Portland General Electric Co.'s application for Round Butte dam in central Oregon.

Prior to the action the board will hear a report from its legal committee on a citizens' petition protesting the project.

Also to be heard is a legal report on the status of applications of Idaho Power company for three Snake river projects — Brownlee, Oxbow and Hells canyon.

Other items:

—Discuss Columbia River compact.

—Procedure for a Goose Lake compact between Oregon and California.

—Modification of Umpqua basin program to permit appropriation of water for livestock purposes.
