Consolidated Seeks To Abandon Route

Salem — (UPI) — A hearing is set for Roseburg Sept. 6 on Consolidated Freightways Corp.'s application to abandon parts of its regular route over old Highway 99.

The company told the public utility commissioner's office it wants to stop service between the interchange with Highway 38 and Grants Pass.

This would mean elimination of service to Drain, points between Sutherlin, Umpqua and Roseburg via Douglas county roads, all points on Highway 99 between Myrtle Creek and Grants Pass and to points on Douglas county roads between Highway 99 and Glendale.

No change in service to Myrtle Creek and Grants Pass is sought.

The firm says that the points which would be eliminated are well served by one or more other truck lines.

Portland To Vote On Convention Hall

Portland — (UPI) — The Portland City Council voted Thursday to put a $4 million bond issue for a new convention hall on the ballot in November.

The council said "the city stands to lose conventions bringing in great quantities of money without some additional facility." The decision was made following a conference with a group of Portland businessmen.

The council indicated that a committee of 300 and 400 persons would be formed to finance a campaign for the bond issue.
