ODELL

Matilda Pickett was born in Ohio August 17, 1843. At a very early age she lost both father and mother and was taken into the home of an older sister. She was born in the faith of the Quakers, or Friends, and the characteristics of these good people were noticeable in her daily life.

Ohio was her home until after her marriage to Alfred Wood, when for a time they resided in Virginia, and later in Nebraska, and in 1887 they, with their four children, came to Hood River, where they have made their home since that date. The difference between Odell then and now is well illustrated by a statement made by Mrs. Wood while in conversation. "She said, "When we came we could see but two lights in the evening, now we see more than 20."

A number of years ago, 17 I think, the home was saddened by the sudden death of a son, Carlos, who was drowned, and five years ago the husband, Alfred Wood, passed away.

By nature unassuming the many kind deeds which those who knew Mrs. Wood will remember, were done in a quiet way and won for her friends whose regard was lasting. During her last illness, which was lingering, her sufferings were borne uncomplainingly and her thoughts were always for the comfort of those about her and her interest in friends and acquaintances and their interests was often expressed. Her daughters, Mrs. S.D. Fisher, of Mosier, and Mrs. Byron Rodgers, of Hood River, and son, Clinton Wood, of Odell, attended her and never had mother more faithful and devoted care.

She is survived by these three children, seven grandchildren, two sisters and many other relatives and many, many friends who will be lonely, but who know that hers has been a life whose reward is sure. She passed away Saturday evening. Funeral services were held Monday forenoon at the home.

Mrs. Zellar's sister, Mrs. L. L. Turney, of Condon, is here for a visit and while here she will look after her property, which is located near that of M. A. Zellar.

The newly formed dancing club of Odell gave its first informal dancing party last Friday evening. It was well attended and all enjoyed a pleasant evening. The piano has been paid for by the members of the club and the president and treasurer have exclusive charge of the same.

Mr. and Mrs. M. A. Zellar returned home Friday. Mr. Zellar went to Condon and brought home his horse which had been left there for the winter. Mrs. Zellar waited in Portland until Mr. Zellar had time to make the trip to Condon and return and came home, arriving on the same day. She reports Dan Zellar improving nicely from his recent very serious illness.

The Grange meeting last Saturday afternoon was well attended and those who were present enjoyed the program and refreshments. There will be a special meeting of the Grange on Friday, April 17, at eight o'clock in the evening. Mrs. Vail, state organizer, and a splendid worker, will be present and deliver an address on Grange work, especially along the lines of social, educational and women's work. Everyone interested in the Grange work is invited. It was decided at the last meeting that during the spring and summer a' meeting be held once a month on the second Thursday night in each month.

Notices are posted for the primary nominating election to be held on Friday, May 15.

Miss Vivian Pallett, of Portland, is the guest of Miss Lois Scott.

The ball game last Sunday, Odell vs. Mosier on the Mosier diamond resulted in a score of 27 to 1 in favor of Odell. Four automobiles with passengers went to Mosier for the game.

Next Sunday afternoon a game, Odell vs. Underwood, will be played at Odell. Underwood has a good team and a hard game is expected.

Road Supervisor Dunbar is ready to cooperate with the people of this road district on the day appointed by Gov. West as good roads day, and is ready to hear suggestions as to places where work is needed, provided men and teams can be secured to donate their services for the day and provided further that work suggested shall be along the line planned by the supervisor. Plans are also under way for serving dinner to those who work, if sufficient interest is shown in the day.

Mrs. W. P. Kemp had as a guest last week her friend, Mrs. Gertie Yost, of Portland. Mr. and Mrs. Kemp moved into the old Kemp home on Monday.

Mr. and Mrs. Harry Connaway and children expect to move into the Wm. Kemp house this week.

Miss Blanche Lafferty is employed as bookkeeper and clerk in the store of the Connaway Mercantile Co.

Mr. and Mrs. G.W. Lafferty returned home Sunday from a visit with their sons, daughters and grandchildren at Weiser, Idaho. While there a photo representing four generations was taken. Mr. and Mrs. Lafferty have a great-grandchild.

If the first early Sunday morning service is an example of what may be expected the effort will be well worth while. The church was quite well filled and the Easter sermon by the pastor helpful and uplifting. The choir pleased the congregation by rendering two beautiful anthems in addition to the good strong choir work on all selections chosen. The new pulpit, presented by the Ferguson Bible class, arrived for the Easter service. The Epworth League meeting was set for 7 o'clock in order that those who were present might attend the service at the Union church at 8 o'clock. Next Sunday the announcements for the Methodist church are: Preaching service, Rev. G. E. Heinick, 9.30 a. m., Sunday school 10.30. Epworth League announcement will be made Sunday.

The Ladies' Aid society met yesterday with Mrs. J. E. Ferguson.

The following delegates and alternates to attend the State Sunday School convention to be held in Albany, Ore., April 27-29, were elected by the Sunday school board of the Methodist Sunday school: Miss Susie D. Moore, Mrs. L. A. E. Clark, Mrs. J. E. Ferguson, Mrs. E. T. Hull, Mrs. L. C. Weinheimer.

The ladies of the Odell Guild and the ladies of the Aid society of Odell will serve a cafeteria dinner at the polling place from 12 till 8 o'clock on next Monday, when the City of Utility election will be held.

SMUDGING

With an early apple season coming on it is well to prepare for frosts. Straw is the cheapest medium to use and n case it is not needed it can be used for bedding and later turned under the soil for fertilizer. Accordingly the investment is small and not lost whether it is used for smudging or not. We have a good stock on hand but will want early orders so that supplies can be held. Kelly Bros. A gentleman visited the homes of the ranchers last week, taking stereopticon views of the cherry and pear trees in full bloom. He sold some very fine specimens of his work.

Many from the vicinity attended Easter services in Hood River Sunday.

The Easter services at Pine Grove church called out a fine congregation Sunday morning. The music was good and the flowers beautiful. Rev. G. E. Heineck gave a very earnest and impressive sermon, after which 11 were admitted into full fellowship with the church and several children were baptised.

At the meeting of the W. C. T. U. last week Thursday afternoon Mrs. G. E. Heineck, having charge of the department of Sunday observance, gave an interesting program. It was the sense of the meeting plainly emphasized by the leader that a mother's influence is of great value in training her children to regard Sunday as a day set apart for devotion and rest. A careless and indifferent attitude towards Sunday is liable to cause indifference in other things of such vital importance to the welfare of inividuals.

The ladies of the Odell Guild and the Ladies' Aid society of Odell, will serve a cafeteria dinner at the polling place from 12 till 8 o'clock next Monday, when the City of Utility election will be held.

A goodly number of friends and neighbors gathered at the E. J. Nicholson ranch for an Easter picnic dinner with good things to eat and social chat. The afternoon was very pleasantly spent, their numbers being increased by the arrival of L. W. Bishop, wife and daughter. Some invited ones were debarred by circumstances from attending.

The Ladies' Aid of Belmont have changed their day of meeting to the second and fourth Thursdays, instead of the second and fourth Friday afternoons of each month, as heretofore. The ladies will serve a ten cent tea and have an apron sale the fourth Thursday afternoon of this month, April 23, in the League room of the church.

Lincoln Furbush, of Philadelphia, who has been long associated with Col. Gorgas, of canal zone fame in sanitation work and the control of tropical diseases. Mrs. J.F. Failing and daughter, Miss Hernietta, are spending their Easter vacation there.

George Blodgett visited The Dalles last week and returned with a fine team of horses for road and farm work.

An attempt to ascend Mount Hood was made recently by a young man from Minneapolis, dressed as if he had just stepped off from Nicollet avenue. It is needless to say that he gave it up as a bad job when the snow reached two feet in depth.

Seeing is believing. See the Tip Top Dairy and you will believe it. ap2tf

Doughnuts

That will remain moist.

Every housewife who bakes her own bread knows that if a little potato is added to the sponge, the bread will not dry out as quickly. In this recipe potato is utilized to make doughnuts that will remain moist and fresh for several days.

K C will be found to have distinct advantages over any other Baking Powder for doughnuts. K C is a double acting baking powder with which a large batch of doughnuts may be mixed and fried a few at a time. The last will be as light and nice as the first.

K C Potato Doughnuts

By Mrs. Nevada Briggs, of Baking School fame.

3½ cups flour; 2 eggs; 1 cup sugar; ¼ level teaspoonfuls K C Baking Powder; ½ teaspoonful salt; ½ teaspoonful mace; 1 cup cold mashed potato; ¾ cup milk, or more if needed.

Sift three times, the flour, salt, spice and baking Powder. Beat eggs with rotary beater, then still using rotary beater, gradually add sugar, then work in the mashed potato with a spoon and alternately add milk and flour mixture. Make a soft dough, roll into a sheet, cut into rounds, pinch a hole in the center with the finger and fry in deep fat.

Fat for frying should not be hot enough to brown the doughnut until it has risen. When the doughnut is dropped into the fat it sinks to the bottom. As soon as it comes up it should be turned and turned a number of times while cooking. This recipe is excellent as they do not take the fat in frying and will stay moist for days.
