Mrs. Leon L. Myers and her three children, Paul, Eugene and Elizabeth, went to Portland Tuesday where Mrs. G. O. Mrs. Banta was Miss Gleaves Strahm, of Mosier. Married in Vancouver, Wn., October 4, and spending the following week in Portland, the happy couple then returned to The Dalles where they expect to make their home. Mr. and Mrs. Banta are both very well liked young people of this place and have many friends. Mr. Banta is a railroad brakeman and we all wish them a long and happy life. Although they have been clever enough to dodge the charivari crowd, we will be heard from yet, and it is good night to them when our turn comes."

With 122 carloads of apples awaiting shipment, the warehouse of the Mosier Fruit Growers Association is filled nearly to capacity and within a day or two growers will be notified that they must cease hauling until further notice. During the past week apples have been coming in rapidly and on Wednesday three carloads were hauled from the orchard packing houses to the association warehouse, while but one car was shipped. For the past week the railroad has been supplying only one car a day, and this has congested the available space so much that growers must necessarily retain their fruit until the situation is somewhat relieved, says Manager Chatfield. The picking has now been completed and gradually the fruit is being packed. To date about 30 carloads have been shipped.
