Gone to Hell to Escape Punishment on Earth

Some time ago The Examiner told of a grewsome find in a glade in the woods near Henley, Siskiyou county—that of an unknown woman hanging by the neck to the limb of a tree.

The tragedy was from the start one of mystery, and investigation caused the officers of the law to suspicion, not a suicide, but a murder.

On the eve of the big fire at Klamathon, mention of which was made in The Examiner last week, John Rook committed suicide in the jail at Klamathon. He is now believed to have been the murderer of the unknown woman, near Henley. He let drop a number of remarks during the period of his incarceration which led to the belief that he was guilty of the Henley murder, and the officers were preparing to place a murder charge against him when he killed himself.

The body of an elderly woman, who had evidently been murdered, was found hanging on a sapling on the hillside of a lonely gulch in an unfrequented neighborhood by P. H. Donoghhue and others who went on a hunt. When found the body was badly decomposed and there was nothing on the person to lead to an identification, although a card was found in a valise belonging to the woman that indicated she went to Henley from Oregon. At the inquest a Coroner's Jury pronounced the case one of murder, and since then Siskiyou county authorities have had the case under investigation.

Rook is described as having been about 45 years of age, bald-headed, of slender build and rather poorly dressed. He was a degenerate, it is said, and the women of Henley were greatly frightened by his strange actions.

He was arrested on Oct. 12th at Henley, under an insanity charge, and taken to jail at Klamathon pending a hearing. The next day the man was found in his cell with his throat cut from ear to ear, the deed having been done with a pocket knife.

During the progress of the great conflagration at Klamathon in the early hours Tuesday morning the body of the suicide was carried away from the jail by some men who were assisting in the work of fighting the fire and placed for safety from the flames in the brush near town. The authorities lost track of the body and a rumor prevailed that it had been cremated. In the morning search was made and the body found. All of Rook's effects, which might have thrown light on his antecedents, were destroyed.

Ran a Ten Penny Nail through His Hand

While opening a box, J. C. Mount, of Three Mile Bay, N. Y., ran a ten penny nail through the fleshy part of his hand. "I thought at once of all the pain and soreness this would cause me," he says, "and immediately applied Chamberlain's Pain Balm and occasionally afterwards. To my surprise it removed all pain and soreness and the injured parts were soon healed." For sale at Beall's Drug Store.

Do Good--It Pays.

A Chicago man has observed that, "Good deeds are better than real estate deeds—some of the latter are worthless. Act kindly and gently, show sympathy and lend a helping hand. You cannot possibly lose by it." Most men appreciate a kind word and encouragement more than substantial help. There are persons in this community who might truthfully say: "My good friend, cheer up. A few doses of Chamberlain's Cough Remedy will rid you of your cold, and there is no danger whatever from pneumonia when you use that medicine. It always cures. I know it for it has helped me out many a time. Sold at Beall's Drug Store.

CONSUMPTION

Right food—right medicine—right time—these three things are of the utmost importance to the consumptive. Right food and right medicine—these are contained in Scott's Emulsion of pure cod-liver oil. Right time is at first sign of disease. Right time is now.

Scott's Emulsion always helps, often cures. Ordinary food helps feed. Fresh air helps cure. Scott's Emulsion does both. Begin early.

We'll send you a little to try, if you like.

AN ALL ABIDING FAITH.

The Illinois Central Railroad Company has an all abiding faith in the future of the Great Northwest. A short time ago this was manifested by the establishment, in Seattle, of an agency to take care of their interests there. The latest effort is to put on a splendidly equipped new train service between St. Paul and Chicago. The new trains will be running Sunday November 2nd. They will use their own rails between Chicago and Albert Lea, Minn., and the Minneapolis & St. Louis Ry. track from Albert Lea to Minneapolis and St. Paul, running into the Union Depot at St. Paul which is the same that is used by all lines in that city.

The train is to be known as "The Chicago, St. Paul and Minneapolis Limited" and will consist of sleeping car, buffet library car and reclining chair car through without change between Chicago and Minneapolis and St. Paul. Dining car service will also be maintained, supper being served out of Chicago and breakfast into Chicago. Trains will leave St. Paul at 7:10 p. m. and arrive in Chicago 9:30 a. m. Leave Chicago at 6:10 p. m. and arrive at St. Paul 8:40 a. m., making close connection at St. Paul with all western lines. Tickets can be purchased via this line, in connection with all western lines, at all stations.
