Envelopes Scarce

The following from the Portland Telegram will interest not only patrons of the local postoffice, but also those of the local printer.

"Information received at the Postoffice from Washington, D. C., recently announcing the destruction of the only stamped envelope factory in the United States, located in Dayton, Ohio, will make it impossible for the government to fill either postoffice or private orders for stamped envelopes until extensive repairs can be made.

This means that the whole nation will be without stamped envelopes of the type provided by the government after the small supply on hand in the various offices about the country has given out."

Flook Ranch for Sale

The Portland Commercial Club has undertaken a move of great importance and advantage to the state by raising and expending $150,000 in promoting work of statewide interest during the next three years. A committee of five including Theodore B. Wilcox, H. L. Pittock, William M. Ladd, A. L. Mills and B. S. Josselyn has been appointed to carry on the work.

Free Scholarship

Two first-class young men from the Pacific Northwest have a chance for four years of academic or profesisonal study at the University of Pennsylvania in a competition for scholarships now being carried on by the Pacific Northwest Alumni Association of that institution.

The matriculation fee—$20 to $25, and the tuition $150.00, to $200.00 for each of the four years—will be paid by the Association for one man from Alaska, British Columbia or Washington, and for another from Idaho or Oregon.

Besides providing the scholarships, the Association is establishing a fund out of which loans will be made to deserving men from the Pacific Northwest, including holders of the scholarships. These loans will bear six per cent interest, and will be made on no other security than personal character.

The candidates will be judged one-third on demonstrated scholarship, one-third on demonstrated atheletic ability and one-third on demonstrated personality. "Those thinking of applying should first get a catalogue and find out what they can and want to take before applying to us," says Mr. Paul.

"Application for their scholarships may be made by writing a letter to any member of the committee, preferably to the secretary.

Selections will soon be made between July 1 and 31, and the successful applicants will have at least thirty days' notice before the opening of the university on September 26 next."

On May 23 and 24 there will be a high school track meet at Alturas. Lakeview, Cedarville, Susanville and Alturas will compete. The program, which will appear later, will include baseball, pole vaulting, weight throwing, and both boys and girls basketball. The occasion will be full of interest, not alone for the schools, but for visitors as well.
