Strictly Pure Linseed Oil for Medicinal Purposes

Raw linseed oil is especially valuable as a laxative for horses and stock and for use in the making of Carron Oil, indicated for scalds and burns. But much of the linseed oil of commerce is adulterated and unfit for medicinal use.

SHERWIN-WILLIAMS MEDICINAL LINSEED OIL

is ready expressly for medicinal purposes and is the purest and best that can be made. It is manufactured from the choicest Northwestern flaxseed, cleaned, crushed, heated, and kept under the most cleanly and sanitary conditions throughout every process of its manufacture.

Werrell's Sherwin-Williams Medicinal Linseed Oil is pure and quality. It is ready for use in pints and quarts. Full directions are on every bottle.
