ACT QUICKLY

Doing Has Been Dangerous in Klamath Falls

Do the right thing at the right time
Act quickly in time of danger.
Backache is kidney danger.
Doan's Kidney Pills act quickly.
Plenty of evidence to prove this.

J. B. Shafer, 966 E. Main street, Ashland, Ore., says: "I was in a bad way from kidney trouble, and despite all my efforts I seemed unable to get relief. The kidney secretions were unnatural and my back was extremely lame and painful. At night I was restless, and if I caught cold it settled in my kidneys, causing my trouble to become worse. Being told of Doan's Kidney Pills, I procured a box, and before I had used them long I felt better. I am now well and my kidneys no longer bother me. My advice to everyone afflicted in a similar way is to give Doan's Kidney Pills a trial."

Confirmed Proof

When Mr. Shafer was interviewed on October 23, 1909, he said: "My former endorsement of Doan's Kidney Pills still holds good. I am now in excellent health, and my kidneys give me neither pain nor trouble."

EXHIBITS ATTRACT MUCH ATTENTION

MANY VISITORS AT EASTERN FAIRS DECLARE THEIR INTENTIONS OF VISITING OREGON TO SEE FOR THEMSELVES

PORTLAND, Nov. 1.—"More than 3,500 visitors at the recent Illinois state fair at Springfield, and more than 2,000 people who attended the West Michigan Fair, at Grand Rapids, announced their intention of coming to Oregon and Pacific Northwest territory soon, as the result of the splendid exhibits of Oregon and Northwestern territory at these expositions," says F. W. Graham, Western Industrial and Immigration Agent of the Northwestern.

"A good many, in fact, a very large proportion of that number, in each case, are farmers of the Middle West country, who are coming out here for the sole purpose of seeking future homes and investments. A large percentage of them will become permanent residents, and every one of them can be classed as a desirable addition to our population.

"Our people are conducting a follow-up campaign with these thousands of farmers, and they are being supplied with all the literature and information at our disposal, concerning the opportunities, resources and industries of Oregon, Washington and the other states.

"It is wonderful the way the land products exhibits which have been carried on in this part of the country appeals to the Middle Western farmer. We have been gathering the very pick and choice of the products, grains, grasses, vegetables, fruit, etc., from the prize-winning districts, and when those chaps back there see with their own eyes what we can raise out here, there is an unanswerable argument for their coming out and settling here.

"We have had these products exhibits on display at every show and fair we could possibly reach, and we are now head over heels in work preparing displays for the big shows at Chicago, November 23-December 8, and at Minneapolis November 12-23. There is no doubt from the present indications that this state and others in the Northwest will be represented by the finest displays of products ever gathered together."
