MONSTER REVIVAL HERE NEXT MONTH

PROTESTANT CHURCHES OF THE CITY WILL HOLD UNION SERVICES—PAVILION TO BE USED FOR MEETINGS

A union revival will be held at the Pavilion ring beginning March 16, with all the churches of Protestant denomination participating. Dr. A. Grant Evans, formerly president of the University of Oklahoma, and at present actively engaged in home missionary work, will conduct the services.

The meeting wil be held nightly for some time, and arrangements are being made for large gatherings. A monster choir of local singers will be organized to furnish music at the services.

Microbes in Your Scalp

Authorities say that a microbe causes baldness. If you are losing hair try our remedy at our risk.

Professor Unna, of Germany, and Dr. Sabouraud, the great French specialist, believe that a microbe causes baldness, and that a germicide must be used to destroy the germ before any hair can be grown. We have a remedy that we believe will do the work. It is a germicide and parasiticide. It is clean, easy to use, and the cost is but a few cents per day. We have no secrets. We know what our remedy is composed of and we know it will do the work. We have faith in our remedy and we will prove it at our risk. We have faith in our remedy and we will prove it at our risk. We have faith in our remedy and we will prove it at our risk.

We have of anything that has proved so successful in so short a time as our remedy for baldness. We have proved it in our own business. We have proved it in our own business. We have proved it in our own business.
