BEWARE THE COUGH OR COLD THAT HANGS ON

Persistent coughs and colds lead to serious trouble. You can stop them now with Creomulsion, an emulsified creosote that is pleasant to take. Creomulsion is a new medical discovery with two-fold action; it soothes and heals the inflamed membranes and inhibits germ growth.

Of all known drugs, creosote is recognized by high medical authorities as one of the greatest healing agencies for persistent coughs and colds and other forms of throat troubles. Creomulsion contains, in addition to creosote, other healing elements which soothe and heal the infected membranes and stop the irritation and inflammation, while the creosote goes on to the stomach, is absorbed into the blood, attacks the seat of the trouble and checks the growth of the germs.

Creomulsion is guaranteed satisfactory in the treatment of persistent coughs and colds, bronchial asthma, bronchitis and other forms of respiratory diseases, and is excellent for building up the system after colds or flu. Money refunded if any cough or cold is not relieved after taking according to directions. Ask your druggist. (adv.)

Woman Loves Housework, Has Good Time

Mothers of School Children Should Cut This Out

The boy or girl attending school, who is not steadily gaining weight, should be watched carefully. Nearly every school child undergoes a constant, physical, mental and nervous strain that slowly but surely saps reserve vitality. They need a Body Builder to help carry them through this period of danger and prevent colds and contagion.

Nothing could be better than Cod Liver Oil. Children used to hate its nasty fishy taste, but now C. H. Underwood and other druggists offer instead McCoy's Cod Liver Oil Compound Tablets—giving all the benefits of the old-fashioned oil, but as easy to take as candy. Insist on McCoy's. Children everywhere are gaining strength and weight with its use, and your druggist is authorized to refund your money if your child, too, doesn't show a splendid gain in 30 days.—Adv.

CHINA REFUSES TO MAKE PEACE WITH ENGLAND

Will Not Consider Concessions Offered by Great Britain

HANKOW, Feb. 3. (AP)—The British olive branch was spurned today by the Cantonese (nationalist) government which broke off negotiations for a new treaty by which Great Britain proposed the grant many demands of Chinese for freedom from foreign domination.

The Cantonese government refused to sign an agreement while the British armed forces were concentrating in heavy force at Shanghai. The agreement was to have prepared the way for a treaty by which Great Britain would have receded her concession districts in many of the cities of China to the China authorities, retaining only a partial administrative control to insure rights of foreigners. Shanghai was excepted the concessions, there being under international control.

Great Britain was prepared to yield on other points including extra territoriality by which is meant the right of foreigners to trial in their own courts. The British also would have granted a change in administration of the tariff at present subject to foreign control.

Great Britain was conducting negotiations with both the nationalist (Cantonese) government and the Peking government, which for a year have contended in battle for control of all China. While nationalist government did not assign these dual negotiations as a reason for refusal to proceed further with preparations for a treaty, there have been intimations both from Hankow and Peking that neither of the Chinese governments would consent to a treaty which recognized the other.

The negotiations were broken off today by Eugene Chen, Cantonese foreign minister, who declined to sign the agreement proffered by Owen O'Malley, British charge d'affaires in behalf of his government.

STRANGLER OF INDIAN INSANE

Toledo Man Admits Murdering 17-year-old Girl; Reveals Body

TOLEDO, Ore., Feb. 3.(AP)—Alexander Hill, who admitted that he yesterday strangled to death Minnie Washington, 17 year old Indian girl, on the Siletz reservation, because she refused to follow him in his fanatical religious beliefs, was held in jail here today on an insanity charge. He is to have a hearing today, and a coroner's inquest also will be held.

Hill, who had been employed in a camp of the Pacific Spruce Company, appeared early yesterday at the home of Ike Washington, the girl's father, and persuaded Minnie to go with him. Later he appeared at the home of Ernest Copeland and announced that he was Jesus Christ and that all who did not believe in him would suffer. He said that Minnie Washington had refused to accept him as such, and that he had "sent her on."

Copeland humored Hill and induced him to show where the girl was. Hill led the way to a deserted cabin, where the girl was found dead on the floor, with a handkerchief knotted about her throat. Sheriff Horsefall arrived later and took Hill to the jail in Toledo.

ECZEMA SKIN IS HEALED BY THIS SULPHUR

Any breaking out of the skin, even fiery, itching eczema, can be quickly overcome by applying Mentho-Sulphur, declares a noted skin specialist. Because of its germ destroying properties, this sulphur preparation instantly brings ease from skin irritation, soothes and heals the eczema right up and leaves the skin clear and smooth.

It seldom fails to relieve the torment without delay. Sufferers from skin trouble should obtain a small jar of Rowles Mentho-Sulphur from any good druggist.—Adv.

KLAMATH FAIR IS HELPED BY $6,000 GRANT

Board Now Has Over $25,000 to Stage Biggest Fair Ever Held Here..

SALEM, Ore., Feb. 3.(AP)—appropriation of $6,000 for the Klamath County for 1927 was allowed by the ways and means committee of the house yesterday.

Klamath appropriation equalled that of Jackson county and exceeded that of Josephine, Wallowa, Lane, Union and Douglas counties.

County courts would be permitted to provide financial assistance to agricultural fair associations having a corporate existence, by the terms of house bill 391 introduced by Representative Wm. M. Briggs of Jackson county. Such funds might be used for the purchase of fair sites and the improvements. A tax of one mill might be levied to carry out the purpose of the proposed law.

With the state appropriation nearly assured and with approximately $20,000 which was raised by approval of special tax, the Klamath fair board will have sufficient funds to stage the biggest fair ever held in Klamath and one of the most pretentious ever presented in southern Oregon.
