CHICAGO CUBS BACK ON TOP

The National league's humpty dumpty race for first place showed the Chicago Cubs back on top again today. All Joe McCarthy's boys had to do to regain the lead was to keep away from the ball field. Andy Reese, third baseman of the New York Giants contributed to a dual cause by spanking a home run in the seventh inning against the Pittsburgh Pirates. The homer proved to be the only run of the game and it toppled the Corsairs from the top rung of the ladder.

The mad rush of the Cincinnati Reds carried them further toward the top of second division. Jack Hendricks' men dropped the St. Louis Cardinals twice in a double-header, 3-2 and 4-3.

The Detroit-Philadelphia game furnished the lion's share of the American league excitement. Jimmy Dykes knocked out a home run in the thirteenth that gave the Mackmen a 6-5 victory.

Cleveland and Boston engaged in a free scoring game, the Red Sox winning 10-7.

Hudkins Wins Bout From Sammy Baker

LOS ANGELES, July 26. (A. P.)—Ace Hudkins of Nebraska today had strengthened his claim to his ring title—"the Wildcat"—and wiped from the record he had chalked up with his ferocious and slashing ring tactics the blemish of a technical knockout defeat at the hands of a soldier boxer, Sammy Baker of Mitchell field.

Before a crowd of 35,000, a record for a California prize ring, Hudkins last night at Wrigley field licked the fighting sergeant in a 10-round fight that was one of the most gruelling and sensational seen hereabouts. It was his revenge for the technical knockout Baker scored in New York six weeks ago.

Delaney Unable to Stay Within Limit

NEW YORK, July 26. ((AP))—Because of his claim that he no longer can make the class weight of 175 pounds, Jack Delaney of Bridgeport, Conn., light heavyweight champion for the past year, today relinquished the title and was given permission by the state athletic commission to fight as a full fledged heavyweight.

Soda Squirts Lose To Traveling Men

Showing unexpected flashes of real baseball, the traveling salesmen defeated the soda squirts, 2 to 1, in the Twilight league game last night. It was a fast and interesting five-inning battle.

The Soda Squirts will play Joe Brett's Whippets of the Overland-Knight Sales company tomorrow night.

Babe Crashes Out Another Home Run

NEW YORK, July 26. (AP)—Back at the stadium after the Yanks' western invasion, Babe Ruth celebrated his first time up by smashing out his 32nd home run of the season in the first inning of New York's opener of a doubleheader with the St. Louis Browns today. One was on base and Gaston was pitching. The blow put the Babe one run in front of Gehrig in their home run dispute.

OLYMPIC MARATHON

AMSTERDAM, (AP)—The Dutch Athletic Union and the Netherlands Olympic committee have fixed the date of the marathon race for the Olympic games in 1928 for 2 p. m., August 6. The length of the course will be about twenty miles, 3 furlongs. After leaving the stadium the competitors will traverse the Vondel Park, thence along the Amstel to Uithoorn, returning more or less the same way.

SCOUTS ENJOY LIFE IN CAMP

A varied program of sports, hiking, swimming and out-of-doors games is filling the vacation hours of close to 50 Boy Scouts of this city who are in camp at Lake o' the Woods.

Sixteen scouts returned home on Monday, 25 remained for another week and 19 joined the camp, leaving here Monday morning, making a total of 44 in camp at the present time.

Henry U. Searles of Lakeview, has taken complete charge of the swimming and hiking program at the camp. An over night hike to Crater mountain and Mt. Pitt has been planned for this week.

"The eats are splendid, the boys are all brown as Indians and are enjoying the time of their lives," Henry V. Joyaux stated this morning upon his return from camp where he accompanied the 19 scouts yesterday morning.

With Beryl Blevens, scout executive in charge, the following are assisting as directors of various departments: J. W. Scoggins, Merle Swansen, Tom Cunning and Henry U. Searles.

Sharkey Suffers From Hard Blow

NEWTON, Mass., July 26. (A. P.)—Although Jack Sharkey has suffered from internal bleeding since his battle with Jack Dempsey in New York, Dr. Martin H. Spellman said today he has felt so well that he has declined to accept his physician's suggestion of a period of hospital observation.

Under the simple prescription of rest the condition has much improved since it was first noticed last Saturday, although a slight trace was still found today. While Dr. Spellman still believes a few days in a hospital would be the wiser course, Jack is planning to leave for a camp in New Hampshire before the end of the week.

CLIMBING MOUNT FUJI

TOKYO, (AP)—Notwithstanding the old Japanese proverb that "he who has never climbed Mount Fuji is a fool, while he who climbs it more than once is likewise a fool," the ascension of Japan's famous sacred peak is one of the nation's most popular outdoor summer sports.

It was estimated that last year more than 60,000 persons climbed the mountain, most of them to worship at the Sengen shrine at the top. This summer it is expected that many more climbers will make the ascent. More than 200 foreigners climb Fuji each year. The majority of the climbers start at night, desiring to see the sunrise from the top.

"MIDSHIPMAID" FINDS SOUTH SEAS MODERN

SAN FRANCISCO, July 25, ((AP))—There is romance in the South Seas, but the picture presented at first hand does not reflect the glamorous tints of tropical fiction, said Miss Viola Cooper, returning from a nine month cruise.

The New York writer visited many of the islands in the South Pacific, signed on the articles of a French Windjammer as a "midshipmaid."

She found that heavy black soil and rugged mountains were more prevalent than "long stretches of glistening white sands and palm-fringed beaches." Radios, typewriters, pianos and electric lights were as commonplace as cannibals were scarce.

One of her illusions was shattered when she learned that a black member of the crew called "The Gorilla" because of his great muscular development, and of whom she had stood in some fear, was keeping a diary, making entries in both French and English.

"David Belasco's advice impressed me"

Walter J. Leather is telling Joyce Todd as they start for an all-day motor jaunt through the Berkshires.

David Belasco, dean of the American Theatre, writes:

"The voice is to the actor what the chisel is to the sculptor. He must beware of dulling its qualities. Naturally I am vitally concerned about the voices of my players, so I always advise the one cigarette that I discovered many years ago that does not impair control of the subtlest vocal shadings or cause huskiness or harshness. I mean the 'Lucky Strike.' It is the player's best friend."

David Belasco

You, too, will find that Lucky Strikes are mild and mellow—the finest cigarettes you ever smoked, made of the finest Turkish and domestic tobaccos, properly aged and blended with great skill, and there is an extra process—"It's toasted"—no harshness, not a bit of bite.
