SMITH ARRIVES TO ENTERTAIN GERMAN BOXER

Hollywood Boy In Fine Shape and Eager to Show Here

Having made a name for himself in southern California, meeting such good boys as Del Fontaine, Bert Colima, Chas. Bellanger, and others, Roy Smith is making his initial start in the northwest as a main eventer. Smith has boxed many times before in Portland a couple of years ago as a preliminary boy. He forsook his home town and sought sunny California, aiming to get recognition among the best at his weight, 170 pounds.

A clean living boy of 22, he is a speed marvel in the ropes arena. He has a wonderful left hand that works like a piston rod. Having been promised Georgie Dixon if he wins over Warneke, Klamath fans will see him at his best Wednesday evening for he feels sure he can take this colored sensation. Then his dream—

Joe Bichoresoff is dickering with none other than Maxie Rosenbloom, the light-heavyweight champion of the world, to show here around Labor day and if Smith shows the stuff they speak of he will have a chance to make a game for himself squaring off with the champion.

Warneke Tough Boy.

But in meeting this German, Frankie Warneke, Smith has a tough hurdle. Last time Frankie showed here he was fighting at 147 pounds, but since then has grown into a light heavy and strong great. He has boxed all the best boys around San Francisco, defeating Pete Meyers, Frank Devlin, Gilbert Attel, Tiger Bob Robinson, and others. In his workouts here he showed plenty of punching power. Smith and Warneke should put up a couple of a scrap. Both are young and ambitious.

At 8:00 p. m. today all the boys that are to appear on Wednesday's card will work out and the public is invited to this free exhibition.

Tickets on sale at the Moose, Walker and Sner pool rooms.

Jeffries' Protege Springs Surprise In Emanuel Fight

HOLLYWOOD, Cal., Aug. 2. (AP)—Al Morro, hard-hitting Denver, Col., protege of Jim Jeffries, former heavyweight king, today had sprung into the great ranks of California's heavyweights through his sensational ten-round victory here last night over Emanuel Emanuel, San Francisco barrister-boxer.

Fighting an even battle up to the fifth round against his heavily favored opponent, Morro penetrated Emanuel's defense in the half-way round to take a lead that was increased steadily as the fight went on. Smashing lefts and rights to the head closed one of Emanuel's eyes in the fifth and at the final bell the San Francisco was in a bad way. Ringsides opined only Morro's comparative inexperience saved Emanuel from a knockout. The victor had fought professionally only once before, when he won an easy decision over Tony Seshmann, veteran Hollywood trial horse.

Morro's victory was a clean cut surprise. Emanuel had been picked to easily defeat the green opponent and only the veteran Jeffries had any hopes his protege would make a good showing. The youngster plainly showed the careful coaching he has received from Jeffries, hitting well with both hands and fighting a heady battle. He waited patiently for openings and moved quickly to the attack when they were apparent.

Ruth and Gehrig Form Real Threat to Hopes of Connie Mack's 1930 Pennant Chasers

BY HUGH S. FULLERTON, JR.
Associated Press Sport Writer

With Babe Ruth and Lou Gehrig going like a conflagration, the New York Yankees are looking more and more like the real threat to the supremacy of the Philadelphia Athletics in the American league pennant struggle.

The A's still have a commanding lead of eight games ahead of Washington and nine ahead of the Yankees despite the loss of a half game to the New Yorkers through their idleness yesterday, but 51 games remain for each team and a lot can happen in that number of contests.

Anything Can Happen

It can especially when the Yankee slugging duet is hitting the high notes, and Ruth and Gehrig have been doing just that in the last few days. The Babe clouted two home runs yesterday after a lapse of more than a week since his last previous four bagger. They served to win a ball game from the Boston Red Sox, providing three of the Yankee runs in a 4 to 1 victory.

They also put the Babe 16 days and 12 games ahead of his record pace of 1927 when he reached his present total of 33 on August 17 in the 113th game of the season.

Can't Gain On Pursuers

The Yankees could not, however, gain on the teams that are pursuing them. Cleveland, in fourth place, and Detroit in fifth, each won, and held their spots. The Indians got the jump on the St. Louis Browns by knocking Holland Stiles for two runs in the first inning and held their margin to win 6 to 3. Detroit hammered Dutch Henry around to inflict on him his 15th defeat of the year as Earl Whitehill held Chicago in check. The score was 12 to 4, with the Tigers' 17 hits turning the trick.

The National leaguers race went along without change except that the Pittsburgh Pirates, after a brief day in a tie for fourth place, were sent back to the second division. The Pirates went down before the Chicago Cubs 10 to 7, despite a game rally in the middle of the game.

Cards Grab 4th Place

The St. Louis Cardinals again became the only club in fourth place by trounced the Cincinnati Reds 10 to 1, with Wild Bill Hallahan hurling a four hit game.

Brooklyn held its two-game margin over the Cubs by routing the old pastime of slamming the Phillies from pillar to post, ending the afternoon with 15 hits and a 9 to 4 victory.

The New York Giants and Boston Braves did the heaviest hitting of the day and due to Freddy Lindstrom, the Giants made their hits count for a 10 to 4 triumph, their fifth straight. Lindy hit two home runs, a double and a single and accounted for six of the runs. The winners made 17 hits while Pete Donohue gave the Braves 16.

Pearpickers Come To Help Pelicans Raise Percentage

Medford's Pearpickers, winners of the first half honors of the Southern Oregon league, will come to Klamath Falls tomorrow to help the Pelicans raise their standing. That is, that's what the Pelicans think, regardless of Medford's feeling about the matter.

However the subject may turn out, the big issue of the day will be "Ladies Day." Red Sanders is eager to have more of the populace at the games and realizing the drawing power of the gentler sex is offering to admit all ladies free. Of course, Red would be glad to see each fellow accompanied by several men, but there is no limit placed on that and he is anxious to see the grandstand filled with representatives of both sexes.

The battle opens at 2:30 at the fair grounds. It is hinted that Arnold, the boy who played such a sterling game at first base, is stated to do the twirling for the Pelicans. If he pitches like he plays first it will be a bad day for those hard hitting Pearpickers.

PEPPO LOSES BOUT

SAN FRANCISCO, Aug. 2. (AP)—George Compton, light heavyweight boxer of Tulsa, Oklahoma, was awarded a decision over Young Pepp, Reno, Nevada, here last night, when the referee stopped the fight in the fifth round because of Pepp's bobbing motion.

ELLIOTT PINS COMBES

EUGENE, Ore., Aug. 1 (AP)—Henry Elliott, Eugene, pinned Billy Combes, Tacoma, two falls out of three in the main event of a wrestling show here last night.

Bob Bensenton, Gold Hill, and Ray Fowler, Albany, wrestled to a draw in the preliminary.

NARONA, Kamath, Aug. 1. (AP)—The police today arrested a farm laborer for the killing of his employer, his employer's wife and their five children. The authorities said he had confessed.

GARVEY-WRIGHT BOUT REAL TOE TO TOE AFFAIR

Johnny Garvey, Portland, 127 pounds, and Harold Wright, Chiloquin, 124 pounds, fought ten hectic rounds to a draw last night at the Chiloquin arena.

The two featherweights put on a real toe-to-toe scrap that had the "cash customers" on their feet. Referee Joe Swindler called it a draw with Wright having the edge.

In the semi final 8 rounds Johnny Snell, 135 pounds, Portland, won the nod over Finley Wilson, 110 pounds, Chiloquin. Snell proved again he was Finley's master, his experience being too great for the game little redskin.

Jack Fiean, 148, Chiloquin, found an easy mark in Billy McFadden, 147. McFadden not being in shape collapsed and was counted out by Swindler.

In the curtain raiser, Amos Alexander lost on a foul to Kid Hockey. The card was very good, the house all pleasing, but the gate was very small, the receipts totaling about $200.

Seals and Indians Showing Unusual Playing Strength

By the Associated Press

Two surprising series were being remarked today, in which strength has been shown above predictions by the San Francisco and Seattle clubs of the coast league.

Seattle boasted three out of four wins from the Missions who expected to fatten their average in the northern city, and the Reds had dropped from first place to two games back. The Indians scored their third successive victory last night, 4 to 3, when House pitched a four hit game to beat Bert Cole.

Seals Win 4 Straight

San Francisco had taken four straight from Sacramento, the fourth yesterday going to the Seals, 4 to 3. Zinn pitched and won, getting a double and a homer, and his team made a triple play.

The southern California teams were showing the progress expected of them. Hollywood gave Portland its eighth straight defeat last night, 5 to 4, making all its runs in the sixth to beat Ortman, as Rhodes added another pitching victory to his already creditable record.

Los Angeles made it three out of four from Oakland, 5 to 2, Baecht getting credit for the win after saving Ballou.

Guests at the Hall Hotel Friday from Medford included R. Sharkey, Ted Sievers, S. E. Ayer and Walter Adams.
