U. S. C. Northwestern Game Is Proposed

Oregon Strongest In Country?

Sammy Wilderman Orders Front Room in Heaven for Dr. Spears; O. S. C. in Bad; Bend Will Play K. F. Thursday

Dr. Clarence W. Spears, presistently labelled, "the genial doctor," when actually he is genially ungenial, has the strongest football team in the country today!

It is the most simple thing in all the world to figure out. At the start of the season Spears said Oregon would be weak, and it was. But he also said the Webfoots would gain strength and experience with each gridiron venture, and they did.

And now Oregon, we'll say on paper, at least, is the most powerful football eleven in the country today. Just today, for it wasn't yesterday, and it may not be after the Thanksgiving Day game with St. Mary's at San Francisco.

* * *

Well, here are the "figgers":

Washington defeated Utah, champion of the Rocky Mountain conference, and the Webfoots walloped the Huskies. That puts Dr. Spears' men on top of anything in the mountain regions, for Utah has defeated all its rivals in that section.

Oregon won from Ucla Saturday. Ucla won from St. Mary's, St. Mary's won from the Trojans, the Trojans romped over Notre Dame and Notre Dame was undefeated by every powerful eleven in the country.

Yep, Oregon is the strongest team in the country today.

* * *

Just leave it to Sammy Wilderman to discover this angle when he gets into San Francisco from Los Angeles to shovel out a load of ballyhoo for Oregon in its game with the Saints next Thursday. Sammy will have the Webfoots the the king-pins of the universe before the next few days have passed.

I expect to pick up a San Francisco or Oakland paper about Tuesday and read that Dr. Spears has been offered a front room in heaven with well-cushioned rocking chair to rest his weary bones after each hard football season.

* * *

While Oregon is winning glory in its football contests, Oregon State is blushing in an embarrassing eligibility controversy. Whether Hammer or Byington are on the up-and-up in their playing record doesn't matter so much as the fact that the Beaver athletic authorities deliberately omitted pertinent facts about their team when they presented the playing records to the other members of the conference.

* * *

The last game of the season for Klamath Falls stands out as the best. These Lava Bears from Bend are one of the fastest attacking teams in the state. They are light, but how they can run and pass.

The greatest worry for the Pelicans Thanksgiving Day will not be in the offensive side of the contest. The Pelicans have been able to go out and make touchdowns in nearly every game. Leslie Avrit, head coach, however, has had some difficulties in assembling a sturdy defense. Every team in the southern Oregon conference has crossed the Pelican goal line. And now Bend comes here with a passing attack containing four backfield men, and two ends who can complete the throws uncannily. Passing attacks have stopped the Pelicans cold this year, but Les Avrit promises it won't happen against Bend.

Police Eleven Beats Convicts

OSSINING, N. Y., Nov. 23, (AP)—To the accompaniment of the rythmic chant of their rooting section "you can't beat the law," a team of Port Jervis, N. Y., policemen yesterday defeated the Sing Sing prison "Varsity" football team 13 to 0. Two thousand convicts and about the same number of visitors saw the game.

THE DUMB YEGG!

TRACY, Calif.—Closing for the night, a local laundry left its empty safe unlocked. In the morning the safe was found badly battered, but locked. Strewn beside it were hammers, chisels, a hack saw, a wrench and other tooks. To all appearnces, the intruder had unintentionally locked the safe before trying to break into it.

WILDCATS MAY BE OPPONENTS AT ROSE BOWL

CHICAGO, Nov. 23, (AP)—The Chicago Tribune said today the movement for a charity football game between Northwestern University, prospective champion of the western conference, and the University of Southern California, Pacific Coast champion, and conqueror of Notre Dame, was well underway.

The obstacles, the newspaper said, was Northwestern's game with Purdue at Soldier's Field next Saturday—itself a charity game—and the Big Ten's rule against post-season games.

The Tribune said it appeared likely that Northwestern would win from Purdue and that the faculty committee could be prevailed upon to waive its arbitrary rule, thus permitting Northwestern to play the Trojan's at the Rose Bowl in Pasadena, Jan. 1.

CHICAGO, Nov. 23, (AP)—Southern California's victorious Trojans today were speeding toward Los Angeles, thinking as much of tasks ahead, as of their stirring conquest of Notre Dame.

Coach Howard Jones permitted his men their first relaxation of the season Saturday night and Sunday, but when they boarded a train at 11 o'clock last night, they were back in training for battles with Washington December 5, Georgia's Bulldogs on December 12, and Northwestern, they hope, in the Rose Bowl New Years day.

Every member of the Trojan squad was splendid in a new derby when they left Chicago, the iron hats being presents from Coach Jones, as souvenirs of Southern California's greatest triumph in football.

The big hero of the victory, Johnny Baker, whose 23-yard place kick during the last two minutes produced the winning points, took no credit for his performance.

"All I had to do was kick the ball," he said, "Orv (Mohler) held it perfectly; the line held Notre Dame solid and I had all the time I needed. Anyone who can kick a football could have kicked that one."

The Trojans will reach Los Angeles Wednesday morning at 8:30.

Oklahoma City University Is Leading Nation

(By The Associated Press)

Fourteen teams, headed by Oklahoma City university, still could boast records unmarred by defeats today and eight of them have escaped ties as well.

Oklahoma City has won 10 straight games, one more than Tulane and Southern Methodist. In scoring among unbeaten teams, Tulane leads the list with 276 points. Defensive honors go to Maryville of Missouri which has permitted the opposition only six points.

Five colleges tumbled from the heights last week—Notre Dame, Harvard, Fordham, North Dakota and Allegheny (Penna.)

President Reduces Marine Corps 600

WASHINGTON, Nov. 23, (U.P.)—The United States marine corps has been ordered reduced by 600 men as a part of President Hoover's naval economies, the United Press learned today.

This is the second major slash in marine personnel to be effected this year in the interests of governmental economy. The ranks of the sea soldiers have been thinned by 1,600 men after the rapidan conferences early in the summer.

When Mighty Stanford Took a Spill

Eight years of fighting to win a "Big Game" over Stanford was finally rewarded, and in Saturday's game at Stanford, University of California won, 6-0, after a terrific, spectacular fight. Photo shows Rudy Rintala, Stanford back, being tackled by Kaufman (51), after a short gain. Hand (6) was running interference, but Gill (17), Medanich (10), Carison (13), and Shaldach of the Golden Bears, swarmed into the play.

BILL SANDEHL IMPROVES FOR HILL BATTLE

Bill Sandehl, the silent Swede from Dorris, opened up sufficiently Saturday to let the world know he is at least a 50 per cent better wrestler today than he was when he defeated Jack Wallace on the last card at the Legion hall. Sandehl has grown confident he will prove his point Tuesday night when he meets Roy Hill of Kansas.

Sandehl, withdrawing from the wrestling game several years ago, has made a strong comeback in matches with Ray Frisbie, Medford, and Wallace of the Antipodes. Bill was once the outstanding contender for the Olympic games championship.

"The Terrible Swede" will be as interested in the Betty Bushey and Jack Renow bout as anyone. If Miss Bushey is half as good as her reputation indicates, the match should be one of the best on the program, said Sandehl. Sandehl saw the woman champions of Australia and France wrestle in 1917 and 1918, the war years when there were few men left to keep up the sport, and emphatically stated that they were nearly as good as the best masculine grapplers.

The Roy Anderson-Louie Miller main eventer will be about a toss up. Both Anderson and Miller are among the outstanding wrestlers in the country at 180-pounds. Neither of them has been defeated in recent bouts.

A 30-minute preliminary between Roland Warren, Klamath Falls, and Ted Williams, Texas, will introduce the fans the activities of the card.

Seven Arrests Made by Police

Seven arrests were made by the city police Saturday night, including that of Theron Martin, who was arrested at Tenth and Main and booked on an open charge for vagrancy and investigation.

J. W. Martin was arrested at Seventh and Klamath, and was turned over to the county for prosecution on charges of possession of Indian hemp.

Mellaio Rodrequiz was arrested at Sixth and Owens streets and Monday fined $25 o na charge of possession of liquor. Jo Zumayo, W. Chocktoot, M. Martz and Joe Martineze were arrested and charged with being drunk. Each was fined $10.

BY A FINGER

ST. LOUIS—George Bishop missed liberty by a finger. He was arrested for drunkenness and lodged in jail. As the turnkey led Bishop through the door the man made a leap to escape. He got outside the door, but the ring finger of his left hand caught in the steel door. It was so badly crushed that it had to be amputated.

DEATH STRIKES FOOTBALL TEAM TWICE IN 3 DAYS

ST. EDWARD, Neb., Nov. 23, (AP)—Twice within three days has death depleted the ranks of St. Edward's undefeated high school football team.

Last Friday, William Weed, 18, star end, died from a skull fracture in a game at Osceola, Neb. Yesterday, Allan Wake, 16, his pal, and fullback on the team, died in an Omaha hospital from an infection that developed following a hip injury received in a game with the Fullerton, Neb., high school. Wake was ill for three weeks.

A week ago Weed went to Omaha and gave Wake a pint of blood. Wake died without knowing his friend had been fatally injured.

But there was no bitterness in the attitude of Mr. and Mrs. C. C. Wake, parnets of one of the victims.

"It seems odd, though, that of fifteen fatalities in football this year, two of them should be in such a little town as this, and to think that the other boy was Willie, who gave his blood to save Allan," Mrs. Wake said.

"It was just a tough break that might happen to anyone anywhere and I see no reason to blame the game," said Mr. Wake.

The population of St. Edwards is about 1,030.

Whitefish Taken In Traps at Lake

CASCADE SUMMIT, Ore—The annual run of whitefish has entered Trapper creek to spawn. These fish enter the creek by the millions from Lake Odell. They are about 8 to 10 inches long.

Heretofore they have been dipped out in nets, but this year the state game commission has put traps at the mouth to catch them and are sending them to the different counties to be distributed to the needy.

Five million acres of lumber were burned by forest fires in the United States during 1930, the Forest Service reports.

OREGON WINS FIERCE GAME FROM UCLANS

By GEORGE H. BEALE
United Press Staff Correspondent

OLYMPIC STADIUM, Los Angeles, Nov. 23, (U.P.)—Oregon university defeated the University of California at Los Angeles, 13 to 6, before some 5,000 chilled fans in a loosely played Coast conference game here Saturday.

Fumbles, blocked kicks, and penalties marred the contest. The famed Southern California sunshine was not showing and a cold wind swept the field from the northwest. Mike Mikulak, who claims Minneapolis as his home town, starred for the Webfeet by producing the punch for the longest sustained drive of the game, a drive that ended with his taking the ball across for the winning touchdown.

Mikulak was also the biggest reason why the Bruin backs did not go any place in particular, his defensive work being even better than his offensive. The big fullback would have been 100 per cent except for one fumble which was almost turned into a U. C. L. A. touchdown.

Duncan Big Shot

Mikulak's running mate, Mark Temple, contributed a lot of yardage for the northern team and also a lot of the loose play.

Forsta and Wishard distinguished themselves in the line.

For U. C. L. A. Duncan was the big backfield threat while Mulhaupt starred at end.

Oregon deserved to win the game from any standpoint. It made the only earned touchdown. It ran up 149 yards from scrimmage and 12 first downs against U. C. L. A.'s 97 yards and seven first downs.

Oregon made its first touchdown in the first period when Wishard picked up a blocked kick and ran from the U. C. L. A. 45 to the U. C. L. A. 9-yard line. Two plays later Temple plunged over his own tackle for the score. Watts failed to convert.

Fumble Helps Uclans

In the second quarter a fumble by Watts opened the way for the only U. C. L. A. score. McMillan fell on it for the Bruins. Two line plunges gained 10 yards, then a 15-yard penalty on Oregon placed the ball on the Oregon 10-yard line. The U. C. L. A. back couldn't punch out a touchdown through the line, so Duncan dropped back and passed to Mulhaupt who caught the ball across the goal line.

Oregon's last drive for a touchdown started on its own 26-yard line. Bobbitt, substitute quarter ran the ball to the 45 and a pass, Temple to Bailey, put it on the Bruin 40. Then Mikulak started tearing 4, 6 and 8 yard chunks out of the U. C. L. A. line and climaxed the performance by diving over from the one yard line. Temple kicked the goal and the score was 13 to 6 as it was when the game ended.

Both U. C. L. A. and Oregon had other opportunities to score but fumbles, penalties and lack of punch at the proper moment stopped them.

U. C. L. A. was penalized a total of 100 yards in the game while Oregon was set back 75.

Individual Grid Scoring Leaders Named in Nation

(By The Associated Press)

To all intents and purposes, Bob Campiglio of West Liberty (W. Va.) Teachers College and Bob Monnett of Michigan State have clinched first and second places in the national race for individual scoring honors.

Campiglio, who has completed his schedule, holds the top post with 146 points and Monnett ranks second with 127. Neither apparently can be dislodged.

The leaders in each of the nation's nine major groups or conferences follows:

East—Campiglio, West Liberty, halfback, 146.

Midwest—Monnett, Mich. State, halfback, 127.

Rocky Mt.—Christensen, Utah, halfback, 90.

South Felts, Tulane, fullback, 81.

Pacific—Shaver, So. Calif., quarterback, 70.

Southwest—Ledbetter, Arkansas, fullback, 48.

Big Ten—Pardonner, Prudue, quarterback, 45.

Big Six—Grefe, Iowa State, halfback, 41.

Missouri Val.—Duncan, Grinnell, end, 37.

Bearcats, Whitman Still in Running

FOREST GROVE, Ore., Nov. 23, (AP)—Willamette University and Whitman College today were alone in the running for the Northwest football conference championship, the result of Pacific's defeat here Saturday at the hands of College of Puget Sound. The score was 25 to 6.

The first half ended 6 and 6 with Pacific taking the decided edge of play. In the last half an inspired CPS team completely overwhelmed the Badgers.

GOLDEN BEAR UPSETS REDS IN SOUTHLAND

PALO ALTO, Nov. 23, (U.P.)—The Golden Bears of California fought their way to a 6 to 0 triumph over the Stanford Cardinals in their 38th annual big game before 90,000 wildly cheering fans here Saturday afternoon.

Henry Schaldach, California's famous triple threat half made the lone score of the game early in the second quarter and after completing a short pass to Joe Castro, fullback. It was the first Bear big game victory in eight years.

In three inspired dashes Schaldach sifted to the Cardinal one-yard line, and on the next play hit center for a touchdown. His attempt to kick goal was blocked.

The Bears were the first to bring out an aerial attack. They made it work while blocking Stanford's numerous attempts. On the second play of the game Schaldach passed to Castro, who ran to the Cardinals 12 yard line, and gave the Bears their first chance to score. Schaldach tried another pass, but the Stanford line broke through and he lost 21 yards.

Rheumatism Goes Swollen Joints Vanish

How to Stop Rheumatic Misery in Less Than a Week or Money-Back

If you suffer from torturing rheumatic pains, sore muscles or stiff inflamed joints, it's because your system is full of the dangerous rheumatic poisons that every year makes thousands helpless. What you need is RU-MA, and need it right now.

RU-MA acts on the blood, kidneys and liver, and helps drive the dangerous rheumatic poisons from the system through the natural channels of elimination—it eases pain the first day or nothing to pay.

An internal medicine should be used to free the joints and muscles of crippling rheumatic stiffness, soreness and torturing pain. That's why RU-MA succeeds while external remedies and pain deadening drugs give only temporary relief.

Underwood's Pharmacy says no matter what kind of rheumatism you have, or how long you have suffered, try RU-MA—it must stop your rheumatic agony or you get your money back.
