STEELS PACE DOWN TREND FOR MARKET

NEW YORK, Jan. 29 (AP)—Steels showed the way for a moderate stock market decline today.

Losses of fractions to around 2 points were registered throughout the list as the liquidation spread from leading steels in early dealings to other groups.

Transactions, heavier on the decline, approximated 650,000 shares.

The United States Steel corp's fourth quarter earnings report, which some brokers called a bit "disappointing" in view of preliminary estimates, was cited in trading rooms as the main excuse for the selling. Analysts noted the steel corporation's profits, amounting to about $3 a share for the common, had been drawn upon for special charges in the final period of 1940.

"Big Steel" common at one time was off more than 2 points.

Other prominent losers were Bethlehem, Youngstown Sheet, Sears Roebuck, Chrysler, American Smelting, Du Pont, Eastman, Douglas, United Aircraft, Santa Fe, American Can and Westinghouse.

WHEAT PRICE DROPS TO QUARTERLY LOW

CHICAGO, Jan. 29 (AP)—Wheat prices dropped more than a cent a bushel here today to the lowest figures in three to four months and to levels 13 to 16 cents under year ago quotations.

Stop loss selling and "short" sales, partly inspired by weakness of securities, undermined the market. Bearish trade statistics, including the huge domestic and North American exportable surplus and the new crop outlook, were underlying factors some market experts pointed to the possibility of the war developments which may affect prices.

Wheat closed ⅛ to 1⅞ cents lower than yesterday, May 82⅛ to ⅞ cents, July 77⅛ to ½ cent; corn ⅜ to 1⅛ cent lower, May 61⅛ to ⅞ cents, July 62⅛ cents; oats ⅛ to ½ cent down.

At the day's low point, May wheat at 82⅛ cents was the lowest since November 6 and July, at 76⅛ cents, was the lowest since October 5.

JUMPING BEANS APPROVED FOR EYE TREATMENT

HOLLYWOOD, Calif., Jan. 29 (UP)—Mexican jumping beans, rolling dice and ping pong balls may be used in the treatment of eye ailments, a municipal court jury decided Tuesday night by acquitting Mrs. Margaret Corbett and Miss B. E. Smith of practicing optometry without a license.

Several Hollywood celebrities, including Irene Rich, Billie Burke, Mrs. Jesse Lasky and writer Aldous Huxley had testified to the benefits of the eye exercises they had taken under the supervision of the two women at their eye clinic.

If I believed that Britain could collapse and America could survive economically, then I would not take a single risk in involving this country in any international entanglements. — Wendell Willkie, republican presidential candidate.
