EIGHTH ARMY TROOPS JOIN AFTER LANDING

ROME, April 4 (AP)—Eighth army troops have joined up after making landings on both sides of the narrow strip of land separating the Valli di Comacchio lagoon from the Adriatic sea at the extreme eastern end of the Italian front, allied headquarters announced today.

A number of prisoners have been taken in addition to 200 or more captured in the first day of the operation Monday. The link up and mopping up operations have virtually cleared out all the area south of the canal running from the shallow lagoon to the Po di Primaro river.

After crossing the mouth of the Po di Primaro, eighth army units pushed along the north shore, seizing a number of German strongpoints and defensive positions, penetrating as far as the vicinity of Lasascina.

Much of the territory north of the canal has been flooded.

U. S. stamp taxes were paid on more than 45,350,000 packs of playing cards during a single year.

Poor Digestion? YES NO
Headachy?
Sour or Upset?
Tired-Listless?

Do you feel headachy and upset due to poorly digested food? To feel cheerful and happy again your food must be digested properly.

Each day, Nature must produce about two pints of a vital digestive juice to help digest your food. If Nature fails, your food may remain undigested—leaving you headachy and irritable.

Therefore, you must increase the flow of this digestive juice. Carter's Little Liver Pills increase this flow quickly—often in as little as 30 minutes. And, you're on the road to feeling better.

Don't depend on artificial aids to counteract indigestion—when Carter's Little Liver Pills aid digestion after Nature's own order. Take Carter's Little Liver Pills as directed. Get them at any drugstore. Only 25¢.

Broken Neck Won't Hinder Paratrooper From Marrying

MIAMI, Fla., April 4 (AP)—A mere broken neck won't interfere with the wedding of Sgt. Frederic Powers and Jetske De Balbian Verster, sunny-haired Dutch refugee.

The 21-year-old sergeant from Snohomish, Wash., had parachuted into the jungles of the Southwest Pacific many times without a scratch. It took a practice leap at Boga Raton army air field near here—and a refugee from Holland—to take him out of circulation.

He'll walk down the aisle of the little chapel of the Biltmore unit of the AAF regional and convalescent hospital on April 19—with Jetske at his side. He wears a brace about his neck.

"I never got a scratch in the Pacific," he said. "It took a practice jump in the states to make me break my neck."

He just landed too hard, he explained.

A Red Cross worker took the Dutch refugee around to the hospital to cheer him up. That's how the romance started.

Jetske — her full name and title are Jungfrau Jetske Ybelt je Christene De Balbian Verster —has been a daily visitor since.
