"LOOK FOR REALTOR IN CLASSIFIED ADS. IN THE PHONE BOOK AND ON BUSINESS STATIONERY"
..THERE'S A REASON!

When you make sure that the broker with whom you place your real estate affairs is a REALTOR — when you look for the professional title of REALTOR after his firm name on his business card, letters or signs, or in his telephone listing, or in his newspaper ads — you are assuring yourself of complete satisfaction.

That's because REALTORS must be leaders in the Real Estate field . . . they must have an unblemished record of integrity, the proven ability to give complete and accurate advice, and experience and training in all phases of the real estate business . . . they must follow a well enforced code of business ethics.

You will be sure of complete satisfaction if you follow the advice . . .

Look for REALTOR in classified ads, in the phone book, and on business stationery.
