Late Buying Bolsters Stock

NEW YORK, Feb. 14 (AP)—Late timid bidding stemmed another decline in today's stock market, reducing early losses of fractions to 3 points or so and putting a number of leaders in the advancing division.

Motors were down from the start but they eventually did a bit better. Assorted steels, rails and industrials revived moderately at the last and closing prices were mixed. Offerings were slack throughout and this encouraged a certain amount of buying.

Turnover of around 900,000 shares was one of the smallest for a five-hour stretch since late January. The aggregate crossed million-mark Thursday for the twelfth successive full session.

Norfolk & Western dropped 4½ points. Chrysler was off 1⅞ cents in the wake of the usual dividend which apparently disappointed some who had expected a boost. Lower were General Motors, Southern Pacific, Chesapeake & Ohio, Montgomery Ward, Woolworth, Douglas Aircraft, Allied Chemical, J. C. Penney and U. S. Gypsum.

Bonds were narrow with rails inclined to give ground. Grains moved up as government agencies entered the cash market.

Grain Market Still High

CHICAGO, Feb. 14 (AP)—Old crop wheat deliveries spurted sharply today, March reaching a new 27 year peak, on news that special flour allocations had been granted to Great Britain and France. At times wheat was more than 3 cents higher.

Other grains were stronger with the bread cereal. July and September corn established new seasonal highs. A short-covering movement gave support to oats. Lard was also strong in sympathy with a sharply higher hog market.

Old crop wheat futures finished 3¼-3½c higher, March $2.26⅛.

Young men with no previous military service, enlist as Seamen Second Class, become Seamen First Class in three months (age 17 to 25). Ex-Army and Marine Corps personnel enter as Seamen First Class, can make a Petty Officer rating in less than six months (age to 30). Ex-navy and Coast Guard Petty Officers of the critical rates may re-enlist in their old rating up to First Class (age 35 plus one year for each year of previous service). Add to this the new increased pay scale, clothing allowance, family allowance, free medical and dental care for self and dependents, and we feel that this at least deserves your obtaining the full facts.
