Stocks Show Slight Gain

NEW YORK, April 10 (AP)— Stocks edged forward selectively today although many market leaders were hesitant and dealings among the slowest of the year.

From the start the ticker tape inclined to loaf. While gains of 1 to 3 points were acquired by a few "thin" issues, advances mostly were in small fractions, quotations tapered at the close and the minus column was well filled. Transfers ran to around 500,000 shares.

Among losers were U. S. Steel, Chrysler, Goodyear, Goodrich, Sears Roebuck, N. Y. Central, Kennecott, Southern Railway, Dow Chemical and Texas Co.
