Smith Talks At "Y" Meet

Sam Smith, city recreation director, was guest speaker at the Y's Men's club meeting last night at the Winema hotel. Smith outlined plans for the forthcoming year made by his department, and gave high praise to the high interest shown by the people of Klamath Falls in recreation.

Smith further urged cooperation between various civic groups to encourage more recreation facilities, and pointed out that his department intended to get under way with a strong program for children of the area.

Discussions were held regarding YMCA cooperation with the city, and plans laid for the coming summer program of the Y's Men's club.

A board meeting of the Klamath County YMCA Interchurch athletic association will be held Thursday, May 1, at 7 p.m. at the First Christian church. Chairman Frances Schmeck urges that all application cards be turned in at this time.

Fire Damages Digitalis Plant

NEWBERG, April 29 (AP) — Fire damaged the Springfield packing company plant north of here early today and heavy fumes from fox glove in the kilns hampered firemen.

Fox glove drying — a step in making the drug digitalis — was started at the plant about two weeks ago. Approximately five tons of dried and five tons of green fox glove were destroyed.

Damage to the plant was estimated at $5000 and to stocks at $1000. Cause was tentatively listed as a defective dryer.
