Stocks Leaders Driven Down

NEW YORK, May 6 (AP)—The bears resumed control of the stock market today and drove leaders down fractions to more than 3 points before timid buying and short covering cut loose.

A fair amount of activity accompanied the retreat in the forenoon. Dealings then turned sluggish as support arrived. There was a smattering of advances for such issues as Standard Oil of Ohio, Santa Fe, Consolidated Coppermines, United Aircraft, International Harvester and Johns-Manville. Transfers for the ful stretch ran to around 800,000 shares.
