Grains Show Some Gain

CHICAGO, May 17 (AP)—Grains moved ahead in a strong and active market on the board of trade today, aided by unfavorable weather for seeding feed grains, unconfirmed rumors that corn may be shipped abroad for livestock feeding and reports that a drought in Southeast Europe was intensifying.

Only delivery to show some hesitancy was the Ma, wheat contract, which lagged most of the session on belief some grain may be shipped here from the northwest for delivery on these contracts.

What closed ⅛c lower to 3¼c higher, May $2.69½-2.70, corn was 2½ to 4 cents higher, May $1.77½-1.77, and oats were 1⅛-1⅜c higher, May 96⅝.

School District Vote Due Monday

LAKEVIEW, May 17—No objections were heard to the proposed 1947-48 budget for school district No. 7 Monday night, and the matter goes to a vote of the taxpayers next Wednesday, May 21.

The voters will be asked whether to exceed the six per cent tax limitation by $40,512.66, which is less by $11,285.89 than the $51,789.55 which the voters agreed a year ago in excess of the six per cent.
