KUHS Principal Slates Visit

James Lee Brown, principal of Parkrose school near Portland, who last week accepted the principalship of Klamath Union high school, is expected here Monday to spend several days, looking over the KUHS plant and his future duties.

Brown's job as KUHS principal goes into effect July 1, when he expects to move his family to Klamath Falls.

FIRST APPLES

The first cultivated apple orchards of the New World were in Nova Scotia. Although various wild crab-apples had been used by the Indians, the first domestic plantings came from stock brought to Acadia from Normandy, about 1600.
