Stocks

NEW YORK (AP) — Swinging along a narrowly mixed course, the stock market held rather steady Monday.

A point either way covered essential changes with many leading issues unchanged most of the time.

Volume came to an estimated 1,700,000 shares. That compares with 1,760,000 shares traded Friday.

Steels, motors and railroads gathered in most of the trading attention. Motors slid to the downside.

Grains

CHICAGO GRAIN

CHICAGO (AP) — Grains eased at the start, made a futile little attempt at a rally and then retreated to new lows for the day late in the session on the Board of Trade Monday.

Russian Premier Malenkov's conciliatory speech in the Russian Parliament brought moderate selling into all cereals. Rain in Kansas over the weekend created light pressure on wheat.

Wheat closed 1 to 1 1/2 lower, March $2.25 3/4, corn 3/4-7/8 lower, March $1.56, oats 1/2-3/4 lower, March 74 3/8-1/2, rye 2 to 2 1/4 lower, May $1.76 3/4-$1.77 1/4, soybeans 1 3/4-3 3/4 lower, March $3.02 1/2-1/4, and lard unchanged to 10 cents a hundred pounds higher, March $10.57.

Livestock

CHICAGO (AP) — Live hogs passed another rung Monday on their upward climb in price. A top of $22.10 was the highest since Aug. 21. Most sales were 25 to 50 cents higher, although demand for lighter weights of butchers continued slack.

Cattle jumped 25 cents to $1.00 on the lightest Monday run since Nov. 24 but sheep failed to establish an early market.

Most butcher hogs sold at $21.00 to $22.00 and sows from $17.50 to $19.75. Clearance was good on the 8,000 hogs on sale.

Good to prime steers and yearlings sold quickly from $21.00 to $28.00. Good and choice heifers were $20.00 to $23.50. Cows topped at $17.00 for a few young commercial grade offerings, bulls were $20.00 and below, and vealers $30.00 downward.

Estimated arrivals included 12,000 cattle on public sale, 300 calves, and 3,500 sheep.

Crash Kills Race Driver

FRESNO, Calif. (AP) — A veteran auto race driver, Johnny Garrett of Glendale, Calif., somersaulted to his death Sunday in a spectacular crash witnessed by some 3,000 spectators, including his wife and 7-year-old son, Johnny Jr.

Garrett, 42, was dueling for third position with George Amick of Seattle. Their cars locked wheels on the 33rd of 40 laps. Garrett's racer spun out of control, crashed into a wall and somersaulted several times. He died instantly.

County Vice Cleanup Ordered by Alderman

(Continued from Page One)

investigation and prosecution if there is a bonafide need for it.

On the basis of Thornton's statement of policy, Alderson said today that it will be the policy of his office so long as he is district attorney that the anti-vice laws are to be enforced.

Thornton was asked this morning by the Herald and News if he singled out Klamath County as a testing ground for a cleanup movement.

STATEWDIE

He said there was no such intent, that his statement of policy was going out to all counties.

Enforcement of the law, he said, is primarily up to local authorities, unless there arises a situation local authorities can't handle.

"This isn't a general crusade," Thornton said. "It's just a statement of policy of my office, for the guidance of local authorities."

Alderson was asked whether his crackdown extended to such things as church bingo games and organizational raffles.

It does, he declared.

"You can't draw a line . . in the eyes of the law they're lotteries."

The Oregon constitution prohibits various types of gambling, including lotteries, and various rulings have taken the term "lotteries" to include slot machines, punchboards and the like.

CARD GAMES

The district attorney said that the fact that card games are city-licensed didn't lessen their illegality, and that public card games where there is gambling will have to go.

Pinball games, where there is no payoff, presumably are all right, as are other devices played for amusement only.

Asked whether he intended to clamp down on clubs or places of business that might merely have gambling devices stored away and not in use, Alderson said that possession of gaming devices also is illegal by state law, but that he expected machine and equipment owners to dispose of the property to suit themselves, that he didn't expect to take an axe to any of the equipment.

M'Carthy Suit Said Settled

WASHINGTON (AP) — A half-million dollar libel suit filed by Sen. McCarthy (R-Wis) against the Syracuse, N. Y., Post-Standard has been settled out of court for an undisclosed amount.

Trial had been set to begin Monday. On Saturday, McCarthy announced the settlement and said the amount is "of less importance than the clarification of the facts, which the Post-Standard has agreed to publish. . ." He termed the settlement a friendly one.

The Post-Standard said in an editorial Sunday that "in light of all the pertinent facts" it wished "to correct statements that were written in good faith and a sincere belief in their truthfulness, but which have nevertheless proved to be untrue and unfair to Sen. McCarthy."

The suit was based on an editorial the newspaper published on the case of a man convicted in Switzerland of political espionage. The man said McCarthy had employed him to gather information. McCarthy denied it.

Malenkov Challenged

WASHINGTON (AP) — The State Department challenged Soviet Premier Malenkov Monday to carry out his words on "peaceful intent" through action to settle the Korean fighting and other East-West issues.

A statement by Press Officer Lincoln White said that the Department received "with interest" Malenkov's inaugural declaration Sunday at Moscow, in part because the name of Former Premier Stalin was "barely mentioned."

For this reason and because Malenkov apparently recognizes a "latent power for good" among the Soviet peoples, which Secretary of State Dulles recently mentioned, the Department said Malenkov's words were received "with interest by this government."

"Their true significance however must be determined by the future action of the Soviet Union and by those under its sway," the statement said. "Protestations of peaceful intent are not new from the Sovit Union but words must be weighed against acts.

"The war continues in Korea. Planes on peaceful routine missions are shot down in Germany. Pledges for the independence of Austria continue to be ignored.

"It will be interesting to see how in these and other pressing respects Mr. Malenkov intends to implement his words of peaceful intent."

Storm Blows Out in Rain

By The Associated Press

Colder, drier weather and fair to partly cloudy skies today lay between areas of substantial rainfall along the East Coast, the Pacific Northwest and a light rain in Southern Texas.

The drenching of the Middle Atlantic and New England areas, the Weather Bureau said, represented the tag-end of a storm that spawned a series of tornadoes which ranged upward from the Gulf of Mexico as far north as Iowa at the end of last week.

One to two inches fell from Washington, D. C., to Southern New England, and lesser amounts to the north and to the south.

The storm had reached its height Saturday with six tornadoes in North-Central Arkansas, Mississippi, Western Tennessee, Southern Illinois and Southwestern Iowa, and a violent thunder and hailstorm in Central Illois.

The twisters leveled buildings and trees and killed one person in Mississippi.

Dripping skies today continued to add to the inch or more of moisture that fell along the coast of Oregon and Washington in the preceding 24 hours.

kiyou County Planning Board, past president of the Tulelake Rotary Club, a member of the Chamber of Commerce and president director of the Tulelake Water District.

Rose was presented by Floyd A. Boyd, charter member of the 20-30 Club. Mrs. Rose was introduced and presented with a bouquet of red roses.

Dr. I. Spomer received the award last year.

Dick McDougal, club president, presided.

The Chamber of Commerce program was emceed by Hugh Mullin Jr., chamber president, who introduced Dr. Walter A. Dew, research chemist for the DuPont Company.

Dr. Dew spoke on "20th Century Man-made Fabrics and Fibers," and the continued quest of organized research for knowledge and new frontiers. He recalled that the first nylon hose appeared on the market May 7, 1940.

Musical numbers were presented by the Schults sisters and the House brothers.

Guards Stop Folsom Riot

FOLSOM PRISON, Calif. (AP) — Half a hundred Folsom prisoners broke up toilets and wash bowls for an hour long ruckus early Monday and it ended with 19 of the leaders locked up in other cells.

They also burned blankets and mattresses, said Warden Robert Heinze, before he and 10 guards broke up the trouble without complications. They led away the 19 to another part of the prison, one at a time. No force was used.

Heinze said there was confusion as to what brought on the wrecking party. He estimated damage would run to about $1,500.

Tulelake Plant To Be Enlarged

TULELAKE—Work will start in the near future on a 90x120 addition to the Tulelake Cold Storage Company building which will increase the capcity from 350 to 500 cars.

Increasing demand for storage of perishable produce made necessary the expansion.

Ross Ragland is manager.
