WEED—The refrigerator for the storage of blood donated by local people for use here or elsewhere in Siskiyou county, arrived Tuesday, April 14, and is on display at the Weed Mercantile store.

The special feature which makes the giant refrigerator of a nationally advertised make available for use for the storage of blood is the alarm system, installed to register the temperature of the stored blood.

It will be permanently located at the Weed Hospital for use when the mobile blood bank unit arrives to collect blood.

The purchase of this blood storage equipment was a project of the Weed Lions Club. A total of approximately $500 was raised by the staging of special events and through donations, according to the president, Chet Marshall. The order for the unit was sent the latter part of January and members have been looking forward to its arrival for the past month.

Police Nab Drunk Driver

WEED—A Portland man, Jesse Eddie Stevens, accompanied by his wife, Eleanor, and driving a 1952 Chevrolet sedan, hit a parked car near the corner of Main street in Weed and Highway 99, belonging to Joseph Aquila, of Weed.

Immediately following the accident, the Chevrolet was driven into Main street, and when the police arrived on the scene, as the result of a radio call from Aquila, the sedan had disappeared. Martin, I. Dawson, who had answered the call to the Weed police, made a search of all the side streets in the town of Weed without results.

He then decided to return to the Weed Court house and radio the California Highway Patrol to pick up the driver of this car, but as he started to park in front of the court house, he saw a man slumped over the wheel of a car across the street. Investigating he discovered the car to be the one he was seeking. He found both the man slumped over the wheel to be in an intoxicated condition as well as his wife.

The police officers arrested both on a charge of being drunk in and about a motor vehicle. Appearing before Judge Kenneth T. Stone of the Weed Judicial District court this morning, both Stevens and his wife Eleanor pled guilty to the charge and were sentenced to ten days in jail and a fine of $100 each. The judge suspended the 10 day sentence in jail on payment of the fine, for a probationary period of 180 days.
