Mountain Climbers Located Safely

TIMBERLINE LODGE (AP) — A search party Sunday located two mountain climbers believed lost on the slopes of Mt. Hood.

The search was begun Sunday morning after Don Comer, 24, and Warren Wilson, 25, both Portland, failed to return Saturday night from an attempt to climb the mountain.

They said they had lost the trail and had set up camp overnight in a safe spot. Neither was harmed.

Malin

By MRS. JOE HALOUSER

Coffee chain meetings for the Cancer Drive are being held this month in many homes in Malin. Mrs. Anna Pickett is local chairman.

Mr. and Mrs. Earl Rinear and family left Monday for Fairbanks, Alaska, to make their home. They traveled by car and anticipated it would take them seven days to make the drive. They planned to take the Alcan Highway through Canada and Alaska. The Rinears had lived in Malin a little over a year and had three daughters in the Malin grade school.

Mr. and Mrs. Cecil Zelders and family have enjoyed a visit this week with Cecil's brother and family, Mr. and Mrs. Merle Zelders and son of Remoland, Calif.

Mr. and Mrs. Ben J. Daniel are visiting for several days this week at Redmond.

A fire shower for the J. W. "Jiggs" George family was held at the VFW Hall Friday evening, April 17. The shower was jointly sponsored by members of the VFW Auxiliary and the American Legion Auxiliary. Many useful and beautiful gifts were brought by the friends of the family and they wish it to be known that they are extremely grateful to all the kind folks in the community, as well as the two auxiliaries for being so kind and helpful during their time of stress.

Mr. and Mrs. Ben Radar and daughter from Santa Cruz, Calif., were visitors here recently at the homes of the Totell families. They are cousins of the Totell boys and Mary Hershiell.

Mr. and Mrs. Don Urell and daughters spent last weekend visiting at the Joe Halousek home. Mrs. Urell and Mrs. Halousek are sisters. The Urells home is at Redmond.

Mr. and Mrs. Merle Loosley enjoyed a two weeks vacation to Southern California this month. They visited while there with Mr. and Mrs. Ben Loosley, who are Merle's aunt and uncle and also former residents of Malin.

Mrs. Edwin Blastny, Mrs. Phil Bloom and Mrs. Ed Petrasek attended sessions Thursday, Friday, and Saturday of this week of the AAUW convention in Klamath Falls.

Work has been started on the new home of the Wayne Fisk family just south of town.

The Malin Boy Scout Troop and their leader, Leonard Webber Jr., enjoyed a camping trip over the weekend to the Lava Beds. A truck was loaned to the boys by Bill Rajnus and left from the VFW Hall in Malin at 5 p.m. Saturday. They spent the night at the Lava Beds camp ground, then Sunday cooked their own meals and took part in hiking trips which will entitle some to become second class Scouts. A board of review will be held at a later date for the completion of these awards.

Boys who made the trip were First Class Scouts David Lyon, Bonnie Kahna, Donnie Hawkins, Willie Rajnus, Richard Cantrall, Ray Johnston and Roland Harmon; Senior Patrol Leader Bill Owens; and Second Class Scouts David DeMerrill, Warren and Wayne Ingram, Jimmie Owens, Jimmie Tofell, Edwin Blastny, Terry Steward, Steven Scofield, Jerry Oliver, Stan Petrasek, Steward Miller, Bill Louder, and Jerry Rajnus.

After a short while without leadership the Malin Scouts are happy to have as scout master, Leonard Webber, who has recently returned to Malin after serving in the armed forces and who is thoroughly familiar in all lines of Boy Scouting. He plans to attend the Scout Master training school April 25 and 26 at the Dry Lake Ranger Station.

The Scouts meet every Thursday evening at 7:30 at the VFW Hall.

Missing Boy Scout Found

ESTACADA (AP) — A Boy Scout missing overnight in mountainous country 10 miles southwest of here was found safe at about 6:30 a.m. Monday.

Clifford Jones and James Free, members of a search party, found the boy, David Chelson, 13, of Colton, near the place where he was last seen while returning with other scouts from a fishing excursion.

The weather was comparatively mild and the boy apparently suffered no ill effects.

Young Chelson and 13 other Scouts were camping in the mountains and had gone on a fishing trip to Canyon Creek. Scoutmaster Walter Willey told state police David lagged behind the others on the return trip to camp and became lost.

State police and some 30 volunteers searched the area until midnight, then started out again at daybreak.

EDMONTON, Alta. (AP) — Edgar Dame of Revere, Mass., Monday held the most important record of his skating career.

He broke the North American five-mile record Saturday in the course of winning four of the six races in his class.

He whipped around the rigorous event in 15 minutes, 41.2 seconds to shave a full second off the standard set in 1950 by Frank Stack of Winnipeg.

Oregonian Newsman Wins Award

PORTLAND (AP) — The Heywood Broun award, for an outstanding journalism achievement, was presented Saturday by the American Newspaper Guild to Oregon Reporter Wallace Turner.

Ralph Novak, executive vice president of the Guild, made the presentation to Turner for his series of articles on an Indian land sale case.
