SERGEANT FIRST CLASS BOYD C. WATERMAN, Canby, right, is congratulated by Colonel J. D. Alger, Chief of Staff, in Korea, on receiving the good conduct Medal for exemplary behavior, efficiency and fidelity. Sgt. Waterman is the son of Mr. and Mrs. George Waterman, Canby, California, and has been overseas since March 1953.

It Happened This Way in New Pine Creek

By IRVIN FARIS

First time for everything dept: — "Funniest thing happened this morning," said Star Rte. carrier Lee Doss last Friday morning. "Was drivin' along easy-like and unconcerned a few miles this side of Alturas when all of a sudden—bang! The motor blew up. It sounded like a rock-crusher until I could get the thing stopped. I was almost afraid to look under the hood. When I did—there was a spark plug danglin' on an ignition wire. It apparently had vibrated loose — then blew out." He simply screwed the plug back in and came on. Better'n a tire blow out anyway — I'd say.

Funeral services were held yesterday, Monday, May 24, for Mrs. Elsie Converse who died last Wednesday, May 19, at the Alturas Hospital where she had been taken two weeks previously. She had been in poor health for some time.

Mrs. Converse was born in Holland on September 9, 1871, and came to America when she was nine years old with relatives who settled in Iowa. She was married to Isaic N. Converse in November of 1890 at the age of 19. To this union was born three children: two boys, Temple and George, and one girl, Ellen, now Mrs. Clay Lawson.

In the spring of 1899 Mr. and Mrs. Converse with their three children started west in a covered wagon. They finally arrived in Goose Lake Valley at New Pine Creek in October of that year.

For three years they lived in Oregon on what is known as the "Old Dobbie" ranch now owned by the St. Clair brothers. Then they bought the California ranch where Mrs. Converse resided the rest of her life.

In 1900 both Mr. and Mrs. Converse joined the Baptist Church. She passed away at the age of 82 years, 9 months and 10 days. Interment was at the local cemetery and Rev. Eugene Barrow, pastor of the First Baptist Church, officiated.

The deceased is survived by her three children; five grandchildren, five great-grandchildren and one sister, Mrs. Jennie Smith, who has been living with the Converses for the past several months.

Mr. Herman Sherrard arrived last week for a few days visit with his ranch leasee, Walter Lightle and family. Mr. Sherrard, an agricultural agent in his home town in California, is always happy to come up into these parts as he likes to hunt and fish.

The Ladies Auxiliary of the VFW met last Wednesday evening, May 19, in regular meeting. A highlight of the meeting was the presentation to the auxiliary of a beautiful Dahlia quilt by Mrs. Faye Rose which piece will be used to help raise money for the VFW Hall. The ladies were quite excited over the gift.

Layton Gentry is putting up a ready-cut, five-room house which he bought by mail from a circular of government G.I. house surplus. The houses are being moved from the ship yards at Richmond and G.I.'s are given first chance at them. It was shipped by truck and arrived here last Saturday morning. Presto chango — velly soon — new home — just like that!

The Needle Club met last Saturday afternoon at the home of hostess, Mrs. Dorothy McDonald. Those present were, Mrs. Hilda Holt, Mrs. Belle Moffitt and two guests, Mrs. Allie Hammersley and Mrs. June Combs, of Lakeview; also Susan Vincent, Alpha Hartzog, Corda Perry, Thelma Butler, Buna Faris, Clara Cloud and nine children.

Graduation at Kelly Creek grade school will be held at the schoolhouse Thursday evening, June 3. There will be seven pupils graduating into high school; Richard Lawson, Carol McClain, Polly Cain, Hal Furman, Jr., Mary Ellen Tollett, Dick Cooper and Jimmy Andrews.

The Ceramics Club will meet Monday evening, May 31 at the VFW Hall. Mrs. Claudia King and Mrs. Elsie Cundiff will be joint hostesses.

Mr. and Mrs. R. C. Goodman arrived from Orcutt, California, last Friday to spend a week or more visiting with Mr. and Mrs. Lawrence Smith and other relatives and friends here. Mr. Goodman recently purchased a 17 acre tract of grazing land near Orcutt, where he plans to move soon.

The California State Game Commission planted Lily Lake last Wednesday with 1375 fish and into Pine Creek they doused 275. The fish were about eight inches long.

New Pine Creek was quite well represented musically in the lovely recital given by Mrs. Helen Bradley for her pupils at the Lakeview High School auditorium last Friday evening in which 52 students took part. The recital which included both accordion and piano numbers was particularly good for the wide variety and nature of its presentations.

Pupils taking part from here were: Mary Gail Barrow, Donna Evans, Nina Evans, Joyce Robuett, Margaret Robnett, Gloria Ayoutt, Barbara Fisher, Janet Faris, Donald Faris and Carolyn St. Clair.

T. H. Ice, of Roseburg, brother of Mrs. Enos Robinson, was injured last week while loading logs in the woods there when a cable snapped and broke four vertebrae in his back and neck. Mrs. Robinson went over to see him and reported it would be some little while before he could work again.

Strange roving creatures: nothing but a 10 inch turtle was found last Friday down in the Robert Snider meadow while the men were irrigating but it is the first one ever reported having been found at large in these parts. I'll bet that reptile thinks he came out of hibernation just a wee early tonight — after the rain and snow we had last night. Looks like a frost tonight.

Just as the weather swept the mercury down the Kelly Creek furnace went blooey so all the kiddos wept with joy Tuesday because it was too chilly in the school rooms to conduct classes.

Mrs. Daisy Fleming returned last Friday evening after spending a week visiting in Portland with her two sisters, Mrs. Dora Witham and Mrs. Cerry Edwards. She said she had a grand time and everything was so beautiful there. True — all we need here is that much rain.

Saturday May 29 was set as cleanup day for the cemetery at the Eastside Grange meeting held Saturday evening. Nothing was said about a noonday lunch at the grange hall so it is presumed that everyone will either lunch at home or bring same to the scene of their labors.

The State Line School will hold its annual school closing program at the schoolhouse Friday, May 28 at 8 p.m. DST and the public is cordially invited.

There will also be a big picnic Monday, May 31, at the State Line School grounds with a potluck lunch at noon DST. In the afternoon there will be games, races and fun for all. Everyone is welcome. Coffee, pop, ice-cream and wieners will be furnished by the student body. Everyone is supposed to bring their own table service.

Bombers Return From Flight

FORT WORTH, Tex. (AP) — Three of the United States' vaunted long-range atom bomb carriers—B36 bombing planes—were back in their nests at Carswell Air Force Base here Friday, a roundtrip flight to Central America finished.

The first of the three giant planes landed at Carswell at 8:08 p. m. Thursday night, a few minutes more than 17 hours after they had taken off in weather that threatened tornadoes.

The flight, coming within days after the United States charged that Iron Curtain countries were shipping arms to Guatemala, was classified by the Air Force as a "routine good will mission."

The planes flew over four cities in Nicaragua at low altitude, Managua, Grenada, Leon and Matagalpa and then turned their long noses homeward.

FOOD

MADRAS, India (AP) — India has reported it has all the wheat and rice it needs — and the food crisis which has plagued the young republic ever since the World War II is virtually over.
