PTA

Gilchrist PTA met in regular session in the high school library at 7:30 p.m., Tuesday evening, October 12 with the president, Mrs. William Taylor, presiding. Nearly 50 members and friends signed the guest book.

The meeting was opened by community singing. After the singing, Jane Brader introduced members of the cast of the coming play "Where's the Fire" to be given in the high school auditorium on the evening of November 5. Members of the cast are: Grandma Carter, Sharon Krueger; Sylpha Nesbit, Judy Odam; Joan Carter, Judy Wyse; Herbert Carter, Michael Harris; John Smith, Bob Garner, Hazel Tildy, Beverly Sample; Bill Harrison, Keith Russell; the electrician Fred Bates; Staff: assistant director, Jane Brader; stage manager, Fred Page; property managers, Bennie James and Jeannette Kellem; sound and curtain, Arthur Warren; assistant makeup, Erline Ware; business manager, Jane Brader; publicity, Tom Larson; and Anne Dolezal, director. A short preview of the play was given for the parents and teachers and the parents and teachers and the invitation extended to come to the play on November 5.

Guest speaker for the evening was Dr. R. Theodore Lindley, Klamath Falls optometrist, who spoke on common eye defects in school children. Many of these defects are hardly noticed by parents because the youngsters are not doing close work at home that would make a strain of the eyes even noticeable. But a teacher is in a much better position to notice and point out to a parent any need for attention by a reputable oculist he said.

The tentative program for the year is outlined as follows:

November — Dad's Night with bingo and program.

December—Christmas program.

January — Safety program with William Hazelwood safety chairman, hostesses fifth, sixth, seventh grade mothers.

February — Founder's Day - Mr. and Mrs. Arlo Harris.

March — Blue Bird program.

April — Miss Muriel Palmer county health nurse officers installation ceremonoy.

May — Achievement day program.

Room mothers were appointed for the coming season as follows: First grader, Mrs. H. C. Jordan, first and second combination, Mrs. Bud Smallwood, second grade, Mrs. Bill Hoff, third grade, Mrs. Dave Frederickson, fourth grade, Mrs. John Anding, fifth grade, Mrs. Hilton Turner, sixth grade, Mrs. George Wilkenson, seventh grade, Mrs. Clifford Coons, eighth grade, Mrs. Marshall Kellem.

Mrs. Norman reported that the rummage sale netted over $90 and that the coffee hour was enjoyed by all. The money will almost fulfill the budget and it was hoped that memberships would take care of the additional money needed.

Mrs. McCourtey's fifth graders and the high school seniors won the flags for attendance record.

Neuberger Voted To GIVE AWAY Klamath Water

State Senator Richard Neuberger ACTIVELY OPPOSED House Bill 661 introduced by Representatives HENRY SEMON and ED GEARY and Sen. Phil Hitchcock, Robert Root, Ed Mann, B. A. Stover and Alva Goodrich, in the 1951 legislative session which FORBID the export of water from the Klamath, Deschutes and Rogue Rivers to Southern California.
