THREE-TONE PAINT COMBINATIONS are introduced for the first time in the automotive industry to accent the new flair styling of the 1955 Dodge Lancer hardtop. Providing exciting new exterior color combinations, multiple-tone paints are available on Dodge Lancers in all three series—the luxurious Custom Royal, the richly appointed Royal and the classic Coronet. Lower, wider and longer by 16 inches, the Custom Royal Lancer hardtop shown here is super-powered by a Super Red Ram V-8 engine developing 193 horsepower.•The new Dodges are now on display at Rickey and Cunningham Motors, South 7th and Commercial.

OLDSMOBILE'S 1955 SUPER "88" Holiday Coupe combines colorful styling with luxurious upholstery and many motoring refinements. The flying colors motif as applied to body finish utilizes the sweeping side moulding for color separation. Front end design has been completely restyled, with recessed headlights and new bumper contour. Seats are upholstered in genuine leather and nylon cloth, each material being offered in five color choices. The panoramic windshield offers excellent forward vision. Power is supplied by a 202-h.p. "Rocket" engine with 8.5 to 1 compression ratio. Power steering, power brakes, electric-powered windows and a new Oldsmobile air conditioning system are optional accessories at extra cost. The Oldsmobiles are now on display at Dick S. Miller Company, 710 Klamath.

Teacher Won Her

Geo. N. Taylor

She was a Hi School girl and her folks so whipped her that she would not go home. This she told the teacher who persuaded her to go back. It seems that her older sister had stayed out late nights with some fellow and had a baby. Then sister skipped out, leaving the old folks to raise the kiddie. The High School teacher urged the girl to go back home and show the parents all kindness. The girl refused and teacher pleaded with her and prayed for her and finally the girl agreed to try it out. Later she came back and told teacher that it worked. Home was like heaven she said. One — teacher is a true Christian of a great prayer family. TWO—Pray God in as he promises—Whatsoever you ask in Christ's name, that will God give you. This message sponsored by a Portland Lumber Mfg. & Wife. Adv.

U.S. Attends Rio Meeting

By BEN F. MEYER

Statements expressing hemispheric solidarity were heard on all sides as the 350 delegates and experts to the Inter-American Economic Conference gathered at this hill resort 40 miles from Rio de Janeiro. But the United States, key country in all major economic and financial projects, already has indicated that she would go only a short way toward meeting the demands other nations were preparing.

Secretary of the Treasury George Humphrey, chief of the U.S. delegation, arrived last night. He said the United States already "has shown its desire in many ways" to work with her hemisphere partners to develop their power, transportation and trade. He said he was confident the meeting would bring an even greater economic buildup. He is expected to unfold details of Washington's policy in a speech tomorrow or Wednesday.

Other delegates withheld criticism until the U.S. position was made known officially, but there was mounting sentiment that the United States is neglecting her Latin partners in apportioning her aid funds around the world.

The Latin Americans here are seeking a system of higher, stabilized prices for their products and greater capital investments.
