Chamber Head Does Good Deed

TOKYO (AP)—You go abroad and the first thing you know you are responsible for your country.

When A. Boyd Campbell, Jackson, Miss., president of the U.S. Chamber of Commerce was here last May for an International Chamber of Commerce meeting, he met Miss Reiko Sakamoto, who had a beef.

The pretty 19-year-old student at Sacred Heart College told him she had received a pair of shoes from the United States, each of a different size.

Campbell took them back with him and exchanged them in New York City.

The new shoes have arrived.

"And they fit, too," said Miss Sakamoto happily.

Creomulsion relieves promptly because it goes into the bronchial system to help loosen and expel germ laden phlegm, and aid nature to soothe and heal raw, tender, inflamed bronchial membranes. LA Man Shot In Baffling Mystery

LOS ANGELES (AP) — Jose Cansino, 55, dancing instructor and uncle of actress Rita Hayworth, was mysteriously shot five times Saturday night.

Police said Cansino told them he was entering his parked car when a man came up behind him, told him not to move and shot him three times in the right thigh and twice in the left leg.

Cansino was released yesterday from general hospital. Police said they have established no motive for the shooting.

Adviser Says Ike OK To Run

St. Louis (AP) — Barak T. Mattingly, one of the President's early political supporters, says he feels Eisenhower is physically fit to serve a second term and probably will seek re-election if world peace is in jeopardy.

Mattingly, former GOP state chairman and national committeeman, was a member of a small committee which urged Eisenhower in 1951, when he was a five-star general, to seek the Republican nomination.

MISTAKE

ST. LOUIS (AP)—A youth explained to police he spent four hours tearing a hole in the roof of a securely locked building yesterday and dropped inside.

Then he couldn't get out.

Police, attracted by his banging on a door and the flashing of his light, couldn't get in. It took them an hour to locate an official of the firm with a set of keys.
