Monkey Raises Havoc in Home

SAN FRANCISCO (AP) — Apartment dwellers last night contacted a local center of San Francisco's most mischievous monkey, a pedal chasing and wrecked two apartments and then fell into the hind job.

Police said that Thomas Jewkes, who lives in the crashing of dishes in his kitchen, softly called police.

They found the pedal calmly eating dessert in the kitchen and promptly called the humane society.

The prankster was a pet gibbon monkey, who periodically gets loose from his quarters in an apartment house courtyard and goes on a wrecking spree, police reported.

Death Takes Mary Walker

Mrs. Mary Esther Walker, a native of Fort Klamath and member of one of the first white families settling in Klamath County, died about 1 p.m. Wednesday at Hillside Hospital. She had been ill about one week. She was born April 12, 1876.

Mrs. Walker was the daughter of Mr. and Mrs. James Colohan who came to this country when the county was still a part of Lake County, and took up land in Algal Valley near Dairy where Mr. Colohan raised livestock extensively and sold meat to the United States Army forces stationed at Fort Klamath following the Modoc War.

She was a member of the Wood River Pioneers and Oldtimers.

Surviving are her widower, Sam L. Walker, one of Klamath County's first deputy sheriffs; two sons, Lloyd O. Clopton of Berkeley, California and Buford S. Clopton of Concord, California; three sisters, Mrs. Mildred Shaner, Mrs. Margaret Mitchell, Klamath Falls, and Mrs. Florence Brown, Roseville, California; a brother, Patrick Colohan, Hildebrand, in this county; five grandchildren and five great-grandchildren. Lawrence J. Horton, Poe Valley, is a nephew.

Funeral services will be held at 2 p.m. Friday, September 21 from O'Hair's Memorial Chapel with Rev. Dale Hewitt of the First Presbyterian Church officiating.

Pallbearers will be Hugh Worcester, Berkeley, California; Ernest Glvan, Bonanza; R. W. Wakeman, Jack Thomas, Paul Shaner and John Kertow, all of Klamath Falls.

Final rites and interment will be in Klamath Memorial Park.

COLD LANDING

SUN VALLEY, Idaho (AP) — A flight of mallards swooped down over this resort. Three times they tried to land. Three times they failed. Finally they gave up in disgust and headed off to a nearby lake. Their first landing target: an outdoor ice skating rink.

KF Democrats Await Estes

A big turnout of Klamath County residents is predicted Friday noon when a one-hour rally is held at Klamath Falls Municipal Airport for Democratic vice presidential candidate Estes Kefauver.

Kefauver is due to arrive at the airport at noon in a chartered plane, accompanied by his aides and 23 newspaper correspondents and photographers.

Worker Breaks Into County Pen

Lewis Shipes, 35-year-old Virginia, California gold miner, was undaunted Thursday when refused permission to visit an Klamath County jail prisoner.

A few minutes later he was reported to have scaled an outside wall of the jail to a second floor window. Jailer Fred Gillee followed Shipes up the side of the building and placed him under arrest.

"If you like our jail so well," District Judge Van Vactor told Shipes when he appeared before the court on a vagrancy charge, "I'll fix it so you can get in." Thirty days.

Polio Cases Set Weekly Record

WASHINGTON (AP) — The number of new polio cases rose to at least 956 last week, the highest weekly total for the year.

The Public Health Service said no reports had been received from Utah and South Dakota for the week ended Sept. 15, but without these there was a rise of 91 cases over the 865 in the week ended Sept. 8.

"There is no reason for alarm and there were no reports of any localized outbreaks," a Health Service spokesman said.

The previous weekly high for 1956 had been 956 for the week ended Aug. 25.

For the disease year which started April 1 there had been 9,639 cases through Sept. 15, compared with 13,034 a year earlier.

The calendar year total had been 9,720 compared with 20,117.

Russia Builds Large Sub Fleet

PHILADELPHIA (AP) — A team of six experts attached to the North Atlantic Treaty Organization (NATO) reported Thursday Russia is building the world's biggest submarine fleet.

The NATO team told delegates attending the 8th annual convention of the American Assn. of Port Authorities that Soviet Union workers are completing three new submarines every two weeks to add to the Red Navy's estimated present sub fleet of 400.

NO COMPLAINT

LOS ANGELES (AP) — Authorities have declined on grounds of insufficient evidence to issue a complaint against Barbara Horns, 16-year-old daughter of the late comedian Bob Burns, for carrying a gun in a Hollywood cafe. Don Covert, 31, an actor and acquaintance of Miss Burns, had complained that she threatened him with the weapon.

Reds Delay 'Best Reforms'

HONG KONG (AP) — Communist China said Thursday night the reforms could be "put off for a comparatively long period" in Tibet, where rebellion is reported raging.

For the first time the Peiping regime admitted officially that it was having trouble with the 2,500,000 Tibetans whose land was overrun in 1951 by Red armies.

Peiping radio broadcast a summary of a speech by Gen. Chang Kuo-Hua, top China's military chief in Tibet, to the Chinese Communist Party Congress now in session in Peiping.

Chang told the conclave any forced changes in the lives of the Tibetans would "only create difficulties for peaceful reform."

"These reforms," he added, "would not begin for comparatively long period to come."

Chang did not specify what type of reforms he meant.

In sharp contrast to other speakers who told of swift transformations of their areas to communism, Chang would make no such boasts. The best he could say was that Red troops had "set an example in agricultural production" and that schools and hospitals were going up where none were there before.
