Consul Plans Cuban Return

GUANTANAMO, Cuba (AP) — U. S. Vice Consul Robert Wiecha planned to return to rebel country today and said he has hopes some of the 30 U. S. servicemen kidnaped by Fidel Castro's men will be released before nightfall.

The 25-year-old vice consul from Saginaw, Mich., and Daymond Elmore, 53, Haynesville, La., came out of the Santa Catalina Mountains by Navy helicopter yesterday. Wiecha had been in the area held by Castro's rebels for 10 days trying to recover North Americans kidnaped by the Cuban insurgents.

Elmore, assistant manager of the Ermita sugar mill 10 miles west of Guantanamo, was kidnaped June 28. He was the 17th hostage released, leaving the 30 sailors and Marines, two American civilians and one Canadian still scattered through the jungles.

Eugene A. Gilmore, a special representative of U. S. Ambassador Earl E. T. Smith, said after talking with Wiecha and Elmore that "this last lift gives us encouragement that the operations are continuing although slowly."

Gilmore, acting deputy chief of missions at the embassy in Havana, flew to the U. S. naval base on Guantanamo Bay to discuss the situation. He conferred four hours with Rear Adm. R. B. Ellis, the base commander.

Gilmore was accompanied by two other embassy officials, Second Secretary William Bowdler, Covington, Va., and B. E. Scott Garden City, Kan. They flew back to Havana last night to report to Smith.

Wiecha's boss at the U. S. Consulate in Santiago, Consul Park Wollam, still is in the jungle negotiating with Fidel Castro's brother Raul.

Bay Area Jolted By Earthquake

SAN FRANCISCO (UPI) — A moderately strong earthquake jarred parts of the San Francisco Bay Area Tuesday night, but apparently caused no damage.

The shock occurred at 10:24 p.m. and kept the needle on the University of California seismograph jiggling for four minutes. It had a magnitude of 4.25 to 4.50 on the Richter scale of 10.

Seismologist John Cameron of UC said the quake was centered about 56 miles from Berkeley, possibly in the ocean.

The shock was felt in the western part of San Francisco, Daly City, East Oakland and southern Marin County.

Nikita Sings Same Tune

BERLIN (AP) — Nikita Khrushchev delivered his standard lecture tour address to the East Germans last night, dressed up with the new sharp note for Yugoslavia.

The Communist bloc is getting stronger and will defeat capitalism without war, the Soviet Premier said in the industrial town of Halle. "There is only one Socialist (Communist) country which is limping — Yugoslavia," he added.

"Great efforts must be made so Yugoslavia marches with us," he said.

The official East German news agency ADN said 200,000 persons heard Khrushchev in Halle as he made a swing around the satellite state before the East German Communist Party Congress opens in East Berlin tomorrow. Khrushchev heads a six man Soviet delegation.

The Halle speech contained the usual derisive thrusts at the United States. Khrushchev said the American recession and Soviet Sputnik triumphs proved the Communist system superior to capitalism.

"The Sputnik, that is our victory," the Soviet Communist party boss declared. "It is the science and wisdom of the Communist movement.

"The others have three 'Spaetniks'—grapefruits—but what are these three against one Sputnik?" Khrushchev asked. Spaet is a German word meaning late, and Communists contemptuously call the little U. S. earth satellites grapefruit to emphasize that they are so much smaller than the Soviet Sputniks.

Window Weaker Than The Noggin

GRAND RAPIDS, Mich. (UPI) —If even statistics are taken on the relative hardness of a human head to an automobile windshield, the Grand Rapids city commission will be prepared to prove the windshield is weaker.

The city approved payment Tuesday of $78 to Robert O'Neil of Grand Rapids. O'Neil's car windshield was broken when Police Lt. Edward Lapp hurled his nightstick at a fleeing suspect June 1. It caromed off the subject's head—with little damage—and sailed through the windshield.

Mark Hatfield Takes Bride

PORTLAND (AP) — Oregon's 36-year-old secretary of state took a bride Tuesday night and several hundred persons watched the church ceremonies.

Mark Hatfield, who also is the Republican nominee for governor in Oregon, married Antoinette Marie Kuzmanich, women's counselor at Portland State College, at the Tinson Memorial Baptist Church.

Miss Kuzmanich, a 1950 graduate of the University of Oregon, is the daughter of Mr. and Mrs. Vincent Kuzmanich of Portland.

The couple left for a honeymoon at Pebble Beach, Calif. They will make their home at Salem.

Hatfield, formerly a political science professor at Willamette University, had as his best man Dr. Herbert Smith, president of the school. A district court judge, Val Sloper of Salem, was among the ushers.

Several hundred persons also attended a reception following the ceremonies.
