DINNER MEETING

There will be a dinner meeting of Klamath and Lake County bar and tavern operations at 7 p.m. on Wednesday, December 10, announces Al Franceschini, president of the local chapter of the Oregon Licensed Beverage Association. The meeting will be held in the Pine Grove Room of the Willard Hotel. Interested persons are invited to call Franceschini at TU 2-9350 for further information.

PUMPKIN PIES for the benefit of KUHS Band travel expenses to the Shrine East-West game are being baked by Klamath Falls homemakers. Mrs. Bebe Meader, 1443 Oregon Avenue, is shown picking up her free ingredients for two pies from Dale Hayden, assistant manager of Low Cost Supermarket. All women who will bake pies for Friday's smorgasbord at Town and Country Shopping Center are invited to come to Low Cost for a free can of Libby's pumpkin, Sego evaporated milk, Pillsbury's pie crust mix and two aluminum pie plates. The pies will be cut and served from 11 a.m. to 2 p.m. on Friday at the smorgasbord at the shopping center. Plates will cost 25 cents each and all proceeds go to help pay the band's expenses to the game in San Francisco.

Council Hears Fire Chief On Condition Of School

Fire Chief Roy Rowe reported to the city council last night on the results of a recent inspection of fire conditions at Riverside School.

Rowe stated that he had accompanied Superintendent Arnold Gralapp, John Glubrecht, Wyatt Padgett and John Mitchell on the inspection tour.

His report stated, "Riverside School is a three story brick building with a basement. The interior is wood, with a conrete floor in the basement, all other floors are wood, the stairs are wood.

"The stairs to both first and second floor are heavily coated with varnish which would help spread fire. The first and second floors should be covered with a fire resistive material.

"The third floor," he continued, "has been condemned for classrooms, and is now being used as a storage room. The third floor should not be used as a storage room as storage rooms are more of a fire hazard because of the type of materials stored there, and also it adds to the danger of fighting a fire with an accumulation of material stored overhead.

"From the basement up to the third floor, the stairs should be made into a one hour fire and smoke proof enclosed stair well which would include fire doors being installed in the basement and on the different landings."

Rowe pointed out in his report that in the winter time when snow and ice are on the streets, it is almost an impossibility to get a fire truck up the hill to the school.

He also reported that in a fire drill the school was cleared in exactly one minute 16 and one-half seconds.

His inspection report was also presented to a Monday night meeting of the elementary school board.

UNICEF Cards Now On Sale

UNICEF greeting cards are on sale at the Pelican Grill in Klamath Falls under the auspices of the Klamath Falls chapter of United Nations, according to Charles Johnson, chapter president.

One hundred boxes of the greeting cards and note paper have been ordered. Ten per cent of the proceeds remains with the local United Nations chapter if 100 or more boxes are sold, Johnson said.

The German illustrator, Fritz Busse, has interpreted with great beauty a charming international theme in his series, "A Time of Joy." The designs authentically capture the happy mood of children around the world.

This year, fifty million children in some 100 countries and territories will be helped through the UNICEF, the United Nations Children's Fund.
