GASOLINE ALLEY
Bill Perry 1-3
I know those guys. They know I'm on the way to the store–
And they'll be ready for me on the way back with my arms full of groceries.
All I want is a can of black pepper, Mr. Lang, but will you put it in a large paper bag, please?
Sure, Clovia.
If they're layin' for you, why don't you take a different way home?
Not me. I'm not scared of them.
I'm ready. Just let 'em start something!
?
Well, what do you know?
With all this ammunition I could knock 'em silly.
But I won't, because that's a real good project!
Like it?
HAPPY 1960
It's swell!
