Ducks Have 3-Way Meet

EUGENE (AP) — The University of Oregon's dual track meet—scheduled here Saturday—was made a three-way affair Monday.

Oregon Coach Bill Bowerman said the Emerald Empire Athletic Assn. team of Eugene will compete, along with Oregon and Fresno State.

The Emerald Empire team includes such standouts as sprinter Otis Davis and distance runners Jim Grelle and Bill Dellinger, all prospects for the U.S. Olympic team.

Bowerman also announced that a muscle sprain will keep Oregon sprinter Roscoe Cook out of Saturday's meet.

A decathlon also will be staged here Friday and Saturday in conjunction with the meet, and the field will include Dave Edstrom, among the best in the world in the decathlon. It will be, in part, a preview of the national AAU decathlon here July 8-9.

Tribe Sore; McLish Gone; Temple-Held Keystoners

TUCSON, Ariz. (NEA) — The thing most often heard about the Indians this spring is that their pennant chances vanished when Cal McLish's arm was traded to the Reds and Minnie Minoso's bat to the White Sox.

"That's an old record," said Frank Lane, talking faster than any of his Cleveland players can run on Hi Corbett Field, on the edge of the desert east of Tucson. "I heard it when I traded Early Wynn to the White Sox after the 1957 season and Don Mossi and Ray Narleski to Detroit when we needed a second baseman and got Billy Martin for '58.

"When you have young pitchers, which happens to be the case with us, the thing to do is pitch them. The trick to sustained success in baseball is getting rid of old guys while you can still get someone of worth for them. And when there are old pitchers around, managers won't work the younger ones.

"When Wynn moved to Chicago for '58, we had to pitch and thus developed Gary Bell and Mudcat Grant. Last season, with Mossi and Narleski no longer available, Jim Perry hopped from Class A to make up the difference."

The way things look now, however, the Indians will have to get a lot of help from Herb Score in order to make up for the loss of McLish's 19 victories and boast a really first - class pitching staff.

The observation here in the Valley of the Sun is that the former strikeout king hasn't got it anymore. Lane, Joe Gordon and the closest observers can't tell you one way or the other. The exhibition schedule will have to throw some light on the situation. All the San Francisco Giants know, for example, is that they mauled the handsome southpaw unmercifully a year ago, while in previous springs they were his pigeons.

Hard luck has pursued Score like a faithful hound. He was retarded this spring by an ear infection which required drainage. After winning nine in 1959, he couldn't get a piece of the plate with his curve.

Cleveland's slickest pitcher, and he excels by any standards, is Bell. The other starters figure to be Perry, Grant, Score, Jack Harshman and Bobby Locke. Bob Tiefenauer, who won 17 for Toronto in 1958 with an earned-run average of 1.89, is back after losing all last season because of arm trouble. This right-handed knuckle-baller is expected to share relief work with the left-handed Leo Kiely.

Slam'n Sam Says This Is His Year

AUGUSTA, Ga. (AP) — Drenching rains have turned the 24th Masters golf tournament, starting Thursday, into a prospective battle of muscle men and one of the most eminent of these, Sam Snead, says it could be his year.

"The way I'm playing, I just might do it," drawled the three-time winner from West Virginia today. "I don't know when I've hit the ball better.

"I'll tell you one thing — as heavy as this course is, no short knocker is going to win it."

One of the game's strongest players, Arnold Palmer, has been established as the advance favorite. Most of his competition is expected to come from such powerful hitters as Snead, Cary Middlecoff, ex-footballer Mike Souchak and perhaps even the husky U.S. Amateur champion, Jackie Nicklaus.

Nicklaus, a blond, 200-pound package of power from Columbus, Ohio, trudged around the Augusta National Course in a driving rain Monday in 69, three under par. It was the best score of those rash enough to buck the elements.

No amateur ever has won the Masters.

Snead played a full 18 holes and was even par although experimenting with his long irons. Ben Hogan gave up after eight holes and said, "I don't have a chance." Palmer, the year's leading money winner, didn't even come out.

McCann May Miss

TULSA, Okla. (AP) — Terry McCann, one of this country's best hopes for a wrestling gold medal in the 1960 Olympics, undergoes surgery today. He may not recover in time for the competition in Rome.

McCann, three-time National AAU titlist at 125 pounds, will have the operation on his right knee to repair a torn cartilage.

Klamath Netmen Travel

The Klamath Union Pelican tennis team tests itself with its first match this afternoon against the Ashland Grizzly netmen in a rescheduled match on the Ashland court. The netmen were rained out of their first scheduled match with the Grizzlies last week.

Coach Bob Johnson, who has tutored two of his recent teams to the state championship and co-championship, has an apparently weaker squad this year. He plans to take only five experienced netmen with him to Ashland today.

Playing in the first singles match for the Whitebirds is Keith Baxter who has earned two letters in the sport and is now in his senior year with the Pel squad. Baxter teams up with junior Duane Fitzsimmons in the first doubles match.

In the number two slot is second singles player Fitzsimmons. The next three singles players are Gary Buchholz, a sophomore, and seniors Ken Henry and Dan Ross.

The second doubles team consists of Ross and Henry.

The Pel netmen have been hampered not only by the weather but also by a strong case of illness and injuries. Ken Henry has recovered from the flu just in time to make the trip and Dan Ross is still favoring a sprained ankle.

However Johnson is fairly optimistic concerning today's match. He said that the Grizzlies lost their best singles player through graduation this year. The team will hurt considerably without his presence. Ashland has a new coach this year, he said, and "they might give us a good battle."

The netmen face a busy weekend schedule by traveling to Grants Pass Friday and coming back here Saturday for a match with the Yreka Miners. Both the Grants Passers and the Miners have unusually strong squads this year. GP was fortunate enough not to lose any players from last year's squad.

Montreal Set For Stanleys

MONTREAL (AP) — Coach Toe Blake had his defending Stanley Cup champion Montreal Canadiens scheduled for another workout today as they prepare to open the cup final Thursday against the Toronto Maple Leafs here.

Blake, who worked his troops Monday for an hour and has a brief "voluntary" drill set for Wednesday, said he wasn't afraid his team would become stale after a week's layoff. The Canadiens, going after their fifth straight cup, eliminated the Chicago Black Hawks last Thursday night to sweep the semifinal series 4-0.

'Big Four' In Shot Put Is Studied

LOS ANGELES (UPI) — The sky will be the limit when the "big four" of shot putting, all of whom have bettered the accepted world's record, get together in one meet, says Southern California Coach Jess Mortensen.

Mortensen should know because he's coached three of these four stars—world's champion Parry O'Brien, Dave Davis and Dallas Long. The fourth man is Bill Neider who currently has the best mark of 65 feet, 7 inches, having surpassed O'Brien's accepted mark of 63 feet, 2 inches by better than two feet last Saturday.

The veteran Southern Cal coach currently has only Long as a student and pupil but he previously had handled both O'Brien and Davis when they attended the university, famed for its championship track and field squads.

Long Surprised

Mortensen told the Southern California track and field writers yesterday that even at long distance, Neider's performance in the Texas Relays last Saturday had an effect on Long who expressed surprise that the Army officer should break his unofficial mark of 64 feet, 6½ inches only a week after he had posted it.

The fact that Neider, or any of the three, was capable of 65 feet does not surprise either Mortensen or Olympic and world's champion O'Brien.

"The real decisive meeting of these four is yet to come up," Mortensen said, "and when it does, the sky may be the limit."

O'Brien, who was spurred to get off a throw of 63 feet, 5 inches by the report of Neider's performance, recalled he had predicted that 70 feet was not an impossible distance in the shot.

Bob Skinner Says Great Year Ahead

FORT MYERS, Fla. (AP) — Hard-hitting Bob Skinner of the Pittsburgh Pirates, whose batting average parachuted 41 points last year, figures he'll be among the National League's top hitters again this season.

"I'll be right up there this year, that's for sure," said the tall, lanky outfielder Monday. "The main thing is that now I feel real good."

Skinner's confidence is largely based on a sparkling performance this spring in Grapefruit League competition. He's batting .304 with 14 hits, including one home run and three doubles.

After turning in a .321 year in 1958, Skinner plummetted to .230 the following season. He suffered a back injury in Milwaukee early in the season when he rammed into a fence.

Skinner's not the only one hoping he has a better season in 1960. Manager Danny Murtaugh has already said that the Pirates' pennant chances this season depend a lot on Skinner's big bat.

Bobo's Boss Is Confident

PORTLAND (AP) — Promoter Tommy Moyer said he definitely expects Bobo Olson and Roque Maravilla to fight here Tuesday night and he will have an announcement to make on the fight, probably today.

Moyer's attorneys huddled Monday with Portland city attorneys to iron out legal wrinkles that threaten to halt the fight. The light-heavyweight bout is scheduled for 10 rounds at the Civic Auditorium.

The Portland Boxing Commission last week withdrew sanction for the fight when Billy Newman, San Francisco, protested that he held an exclusive contract with Olson through May.

Olson contracted for the Thursday night fight through Sid Flaherty, who once before managed him.
