HELP WANTED, MALE 16

WE'RE SEARCHING THE KLAMATH FALLS AREA FOR A MAN . . .

Frankly, it may take months to find him. But we're willing to wait . . . the opportunity is that important.

Here's a quick "profile" of the person we're looking for. Chances are he's between 28 and 40. Education . . . college or equivalent, in all likelihood, he's now in a junior-executive position . . . well liked . . . making good progress. But he has a problem. He knows he's capable of doing better . . . feels "trapped" by a salary structure which is good, but not good enough.

If you fit this general description, we'd be happy to talk to you about this most important opening in our organization. It may require several interviews . . . will certainly require exhaustive tests. But should you turn out to be the man we are looking for . . . we can promise it will be well worth your time and trouble.

To pursue the matter further, write us a letter outlining your business experience, age, marital status. (If you prefer, phone TU 2-5365.)

We'll contact you and arrange a meeting.
