Dunsmuir Center Building Fund Given Large Boost

DUNSMUIR — Over $300 was added this week to the Community Center Building Fund.

A check for $100 was presented to the Lions Club, community building sponsors, by Maudine Adams, president of the Dunsmuir Business and Professional Women's Club. Mrs. Adams explained the funds were raised by a recent BPWC card party and other activities.

The recent Lions Club Invitational Basketball Tournament also netted almost $100 and the Lions Club made up the difference from the club treasury.

The Dunsmuir Women's Club voted $125 toward the building fund at its last business meeting. Other women's club projects include $100 toward sending a Dunsmuir High School student abroad and $100 for support of the American Field Service foreign exchange student program.

The cement flooring of the community building was poured this week by Carl Dillon, Mount Shasta contractor. Paul Alcouffe, project chairman, stated about $7,500 in addition to currently available funds will be needed to complete the building. So far, construction of the steel and concrete building adjacent to the Dunsmuir ball park has been on a pay-as-you-go basis. The sale of the scout hut to the state division of highways provided the initial funds. The building when completed will house community events including small conventions.

Mt. Shasta Snowfall Light During February

MOUNT SHASTA — February's weather was something short of spectacular, Frank Asbell of the U.S. Weather Bureau station in Mount Shasta reports.

The snowfall for the month was only three inches, compared to an average of 18.6. The record February snowfall was 107 inches in 1938.

Last month there was only a trace of snow in Dunsmuir and three inches in McCloud and Weed. The Ski Bowl received about 124 inches.

The average daily temperature in Mount Shasta in February was 39.8 degrees, 2.9 degrees above normal.

December, January and February, usually regarded as the winter months, brought a skimpy 12 inches of snow at Mount Shasta. This is the smallest amount recorded in a similar three-month period since 1897 - 98, when no snow fell during December, January and February. At the other extreme, during the winter of 1889-90, 270.5 inches of snow was recorded, Frank Asbell reported.

Residents were warned that winter was not over. In April, 1958, snowfall of 48.6 inches was recorded and in May, 1960, 16.4 inches fell.

College Set For Carnival

WEED — Prizes will be awarded, games will be offered and a queen will be crowned during the second annual St. Patrick's Day Carnival at College of the Siskiyous here from 2 until 10 p.m. Friday in the old Weed High School gym.

The carnival will feature many amusement booths.

Queen candidates include Lia Alvarado, Agatha Mattiazzi, Nancee Burns, Susan Brickell and Jadine Rohrer.

The public is invited.

Top Speaker

DUNSMUIR—Karen Lee, Dunsmuir High School senior, has been announced as the Dunsmuir winner of the Lions Club student speaker contest. Karen was presented with a plaque after giving her speech at a recent Lions Club luncheon.

Johnson Given Important Post

MONTAGUE — Congressman Harold T. (Bizz) Johnson of the Second Mountain Valley District of California has been named to the Water Resources Committee of the California congressional delegation.

Johnson stated that much of development of California's water resources will take place within the 19 counties of Eastern and Northern California which he represents.

Congressman D. S. Saund of Imperial and Riverside counties is committee chairman.

Honolulu, capital of Hawaii, built on the site of a Polynesian village, was settled in the 1790s.

2. That if any person claiming or asserting under, or by virtue of, any unpatented mining claim located prior to July 23, 1955, any right, title, or interest in the vegetative surface resources and other surface resources, under such mining claim, contrary to or in conflict with the limitations or restrictions specified in section 4 of said act, as, to the above-described lands or any part thereof, shall fail to file in the Land Office of the Bureau of Land Management at 809 N.E. 6th Avenue, Portland 12, Oregon, and within 150 days from the below-stated date of first publication of this Notice, a verified statement which shall set forth as to such mining claims:

(1) The date of location;

(2) The book and page of recordation of the notice or certificate of location;

(3) The section or sections of the public land surveys which embrace such mining claim; or if such lands are unsurveyed either the section or sections which would probably embrace such mining claim when the public land surveys are extended to such lands or a tie by courses and distances to an approved United States mineral monument;

(4) Whether such claimant is a locator or purchaser under such location; and

(5) The name and address of such claimant and names and addresses so far as known to the claimant of any other person or persons claiming any interest or interests in or under such unpatented mining claim; such failure shall be conclusively deemed (i) to constitute a waiver and relinquishment by such mining claimant of any right, title, or interest under such mining claim contrary to or in conflict with the limitations or restrictions specified in section 4 of the Act of July 23, 1955 (69 Stat. 367), as to unpatented claims located after that date, and (ii) to constitute a consent by such mining claimant that such unpatented mining claim shall be subject to said limitations and restrictions, and (iii) to preclude thereafter, prior to issuance of patent, any assertion by such mining claimant of any right or title to or interest in or under such mining claim contrary to or in conflict with said limitations or restrictions. Section 4 provides, generally, that unpatented mining claims located after July 23, 1955 shall not be used for purposes other than prospecting, mining, or processing operations, or uses reasonably incident thereto; that such claims will be subject to the right of the United States to manage and dispose of the vegetative surface resources thereof and to manage other surface resources thereof, and that, except to the extent required for mining operations and uses reasonably incident thereto or to provide clearance for such operations or uses, claimants of such claims shall not use or dispose of vegetative or other surface resources thereof; and that, except for clearance for such purposes, any permitted severance or removal of timber must be in accordance with sound principles of forest management. Said section 4 also provides that any use of the surface of any such mining claim by the United States, its permittees or licensees, shall be such as not to endanger or materially interfere with the prospecting, mining, processing or reasonably incident uses by the mining claimant.

The date of first publication of this Notice shall be Mar. 1, 1961.

Easter Seal Fund Drive Starts Well

DUNSMUIR — First returns of the 1961 Easter Seal fund drive indicate a gratifying response, officers of the Siskiyou County Society for Crippled Children announced today.

The sum of $552 was counted on March 6 at the home of Mrs. Glen Minuth, chairman, with the assistance of Rod Rasmussen, president, and Mrs. Harold Baughman, campaign chairman. Mrs. Gene Spatafora also assisted with the initial tallying.

The county goal is $3,400 and through the generosity of Siskiyou County residents, many handicapped and ill children are helped back to health and a fuller life, Mrs. Baughman said in appreciation of this first response to the seal drive. The bulk helped by Easter Seal funds are referred to the Crippled Children Society by public school nurses.

Anyone not sent an appeal letter and who wishes to contribute to the work of the Easter Seal Society may mail a contribution to the Crippled Children's Society, Dunsmuir, Calif., Mrs. Baughman said.

It is thought that the glass container is man's oldest kind of package.

Filing Date Near For Candidates

DUNSMUIR — Candidates have until 5 p.m. Friday, March 17, to file for school board posts. The biannual school board election is April 18 and positions will be filled on the Dunsmuir Elementary School Board, the Dunsmuir Joint Union High School Board and College of the Siskiyous Board.

As of Monday afternoon only three candidates had filed for the four positions on the elementary school board. Three incumbents, Dr. H. A. Meredith, Harold Baughman and Edmo Loney, had filed nomination papers with the county superintendent of schools.

Kathleen Graves, the remaining incumbent, said she was doubtful whether she would be a candidate.

There were four members recorded for high school board posts Monday. Three board members will be elected.

Joseph Kelby and Nadine Anderson, incumbents, have filed. Fred Drake and Ivan Young are the other candidates seeking these posts. Reg Thom, the third incumbent whose term expires this year, said he had not decided whether or not to seek to keep his office.

Dr. H. A. Meredith, incumbent, was the sole candidate for a position on the Board of Trustees of the College of the Siskiyous as of Monday afternoon. Four board posts are up for election.
